**Request for Information Concerning Students with Disabilities Enrolled in
Private School/Home School**

Please complete this form if your private school/home school student has been identified as having a disability as defined by the Individuals with Disabilities Education Act (IDEA) or you suspect that he/she has such a disability.

A student has a disability if he/she has been offered an Individualized Education Program (IEP) at a public school. If so, the parents/guardians would have been invited to attend an IEP meeting and, prior to the provision of any services to the student, would have signed a Consent for Placement in Special Education.

Some private school/home school students with disabilities in Georgia may be entitled to receive some public school special education services. Please see the attached information sheet for further explanation. To assist in determining if your student may be entitled to services, please provide the following information:
