

Quarterly Executive Summary 2014 Exterior Façade Sealant Replacement for Multiple Schools Q4 2016

HCS Project Manag	<u>er:</u> Amber Barnhill			
Architect/Engineer:	N/A			
Contractor:	Southern Restoration Maintenance, Inc. (SRM)			
<u>Project Scope:</u>	Horry County Schools solicited a Best Value Design-Build Project for Exterior Façade Sealant Replacement at 27 schools located within the District. The 27 schools are divided into three Lots with a separate contract executed for each Lot.			
	Lot 1 included: 1) Conway High, 2) Conway Middle, 3) Homewood Elementary, 4) South Conway Elementary, 5) Socastee High, 6) St. James Elementary, 7) St. James High, 8) St. James Middle, 9) Whittemore Park Middle, and 10) Loris High.			
	Lot 2 included: 1) Carolina Forest High, 2) Forestbrook Elementary, 3) Forestbrook Middle, 4) Myrtle Beach High, 5) Myrtle Beach Intermediate, 6) Myrtle Beach Primary, 7) Ocean Bay Elementary, 8) Ocean Bay Middle, and 9) Palmetto Bays Elementary.			
	Lot 3 included: 1) Aynor High, 2) Aynor Middle, 3) Academy for Technology and Academics, 4) Daisy Elementary, 5) Green Sea Floyds Elementary, 6) Green Sea Floyds High/Middle 7) Kingston Elementary, 8) North Myrtle Beach High			
Current Status:	All three Lots are substantially complete and this will be the last report on this project.			
Budget:	Original Budget: \$1,617,532.00 Board Approved Date:12/15/2014			
Budget Issues:	None. The project came in well under budget.			
<u>Schedule:</u>	Design: N/A Solicitation: July 31, 2014-December 12, 2014 Construction (Lot 1): December 15, 2014-September 13, 2015 Substantial Completion: September 14, 2015 Construction (Lot 2): September 15, 2015-May 11, 2016 Substantial Completion: May 12, 2016 Construction (Lot 3): April 11, 2016- November 17, 2016 Substantial Completion: November 18, 2016			
<u>Schedule Issues:</u> <u>Achievements:</u>	None. Work was completed at twenty-seven (27) schools and was under budget.			

Quarterly Executive Summary IVAC Replacements – GSFH, LH, AE, FBE, SJM, SCE, SJE Q4 2016

New Outside Air Unit @ Aynor Elem. Rooftop Unit Replace @ St. James Middle **Project Managers:** Brian Sexton, PE; Dennis McCrary, PE Contractors: Cayce; North Strand Mech.; Triad; McCarter; CMI **Engineer:** RMF and BES **Project Scope:** Scope includes removing and replacing water source heat pumps, split system heat pumps, rooftop units, dedicated outside air units, and wall hung heat pumps at varying schools per HCS bid packages. Green Sea-Floyds High and Loris High: Substantially Complete. Final punch list. Current Status: Aynor Elementary – Substantially Complete. Final punch list. (Cayce) Forestbrook Elementary - 90% Complete; wknd/overnight schedule (NSM) St. James Middle - 75% Complete; weekend/overnight schedule (NSM) South Conway Elementary - Substantially Complete; final punch list (McCarter) St. James Elementary - Substantially Complete; final punch list (Triad) Board Approved Date: 07/28/2015 Varies by school. Budget: **Budget Issues:** No issues at this time. Base bids with alternates awarded within the budget for this fiscal year. **Design:** Complete Schedule: Solicitation: Complete. Construction: Majority of work has been completed at all schools except SJM. Schedule Issues: None at this time. SJM will continue to have HVAC systems installed after hours and on weekends until the contractor is completed. Achievements: New HVAC systems are 30% more efficient than previous. Construction is being completed at all locations with minimal interruption to the schools.

Quarterly Executive Summary Carolina Forest High Exterior Door Replacement Q4 2016

HCS Project Manager:	Amber Barnhill	<u>Principal:</u>	Gaye Driggers
Architect/Engineer:	N/A		
<u>Contractor:</u>	Welch Construction	, Inc.	
Project Scope:	To replace the majori key the entire school.		or doors at Carolina Forest High and re-
Current Status:	There are five doors minimal amount of ha		, four of which need painting and a plete.
Budget:	Original Budget:	\$800,000.00	Board Approved Date: N/A
<u>Budget Issues:</u>	deleted doors from th	ne scope that an ingle exterior cl	Project Manager and HCS Locksmith re not used on a daily basis (i.e. lassrooms doors (egress doors only)
<u>Schedule:</u>	Design: N/A		
	Solicitation: April 14,	2016 – May 18	8, 2016
	Construction: May 1	8, 2016 – Janı	ıary 31, 2017
	Substantial Completion	on: February 1	, 2017

Quarterly Executive Summary Conway High School Track Renovations and Lighting Q4 2016

HCS Project Manag	<u>er:</u> Jason Harde	e	<u>Principal:</u> Lee James
Architect/Engineer:	DN Engineer	ring	
Contractor:	Wade Lott		
<u>Project Scope:</u>	The work at Conway High School includes complete repaving and striping of the existing athletic running track, relocation of jump events, adding a pole vault event, installation of track drainage, and the addition of track lighting.		ation of jump events, adding a pole vault event,
Current Status:	The project is curren	tly under consti	ruction.
<u>Budget:</u>	Original Budget: Current Budget:	\$500,000.00 \$700,000.00	Board Approved Date: 12/15/2014
<u>Budget Issues:</u>	items that were later	requested by the	nal budget. Additional overage includes ne school as well as pricing escalation. the Sustainment / Upkeep funds.
<u>Schedule:</u>	Design: Completed		<u> </u>
	Solicitation: Comple	ted	
	Construction: Sprin	g 2017	
	Substantial Completi	on: March 201	7**
<u>Schedule Issues:</u>	**The land surveyor discovered concerns with the existing grades of the track prior to construction which required a slight redesign to avoid future problems. This, followed by the October interruption from Hurricane Matthew, contributed to an approximate 2 week delay in construction efforts. The required proof roll test of the subgrade prior to paving subsequently failed due to excessive saturation of subsoils as the entire track was completely under water during the hurricane. The engineer, special inspectors and the contractor are working together to develop a viable solution to this issue. HCS is also pursuing FEMA reimbursement for damages related to the hurricane.		
<u>Achievements:</u>	The school's request project is approaching		led improvements was honored and the

Quarterly Executive Summary Loop Roads & Bus Lot – St. James Elementary & Middle

- St. James Middle & Elementary Existing Bus Entry
- St. James Middle Existing Parent Drop Off

80% Design - OSF & DOT Approved Concept

St. James Elementary – Parent Drop Off

Project Manager: Brian Sexton, PE **Principals:** SJE: Felisa McDavid; SJM: Dwight Boykin

- *Engineer:* Castles Engineering, Inc. *Contractor:* TBD
- **Project Scope:** New bus lot and parent loop road for SJE and SJM campus. Bus office/portable setup. Bus lot design for capacity of 60 buses, 60 drivers. Combined traffic storage for up to 200 vehicles each drop off / pick up period at SJE/SJM.

Current Status: Design is approximately 80% complete; permitting is underway.

Budget:Original Budget:\$1,750,000Board Approved Date:12/15/2015Add'I approved funds:\$500,000Board Approved Date:12/12/2016Budget Issues:No issues at this time.Construction estimates will be updated with completion of final drawings.

Schedule:Design: through January 2017Solicitation:March 2017Construction should begin in early 2017 with completion of the loop roads in August
2017. Bus lot will likely be bid as an add-alternate to assure budget compliance.Schedule Issues:None at this time.

- Achievements: HCS and Castles have obtained OSF and SCDOT consensus on the proposed site plan, bus lot location, and traffic plan. The proposed layout should greatly improve regional traffic flow by getting parent traffic off McDowell Shortcut and Hwy. 707.
- **<u>Phasing:</u>** The Loop Road portion of the work is the highest priority to construct at SJE / SJM to provide traffic storage. The Bus Lot addition will be evaluated based upon bid prices.

Quarterly Executive Summary 2016 Myrtle Beach Primary – Phase 2 Renovations Q4 2016

Horry County Schools	212010	
HCS Project Manag	<u>ger:</u> Jason Hardee	Principal: Christel Arnette

Quarterly Executive Summary Renovations and Additions – North Myrtle Beach Middle School Q4 2016

Slab on Grade with Masonry Walls

Pavement/Curb & Gutter Now Complete

Slab on Grade Construction 80% Done

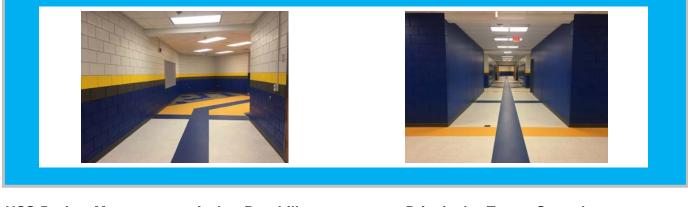

Proposed Site Plan for Campus

<u>Project Manager:</u>	Brian Sexton, PE	<u>Principal</u> :	James LaPier
<u>Architect:</u>	D3G Architects, LLC	<u>Contractor:</u>	Contract Construction, Inc.
<u>Project Scope:</u>	Approx. 22,745 sq. ft. including 9 classrooms, 3 labs, new bathrooms, and support spaces. A new bus loop has been in service all this academic year and has perform well for the bus traffic at both schools. New parent traffic loop to alleviate traffic congestion on Hwy. 90 to begin construction before Spring 2017.		

<u>Current Status:</u> The general contractor started construction on November 7th. All under slab plumbing and electrical work has been installed; approximately 80% of the floor slab has been poured at this time.

Original Budget: \$7,500,000 **Budget:** Board Approved Increase: \$2,160,750 Approved June 2016 Total Revised Budget = \$9,660,750 **Budget Issues:** None at this time. Construction began November 7th on the new wing. Sitework to begin construction by Schedule: February 2017. Delivery and occupancy expected for August 2017. None at this time. Schedule Issues: Achievements: Floor slab installation is nearly complete within first 60 days. Vertical construction to continue with expected completion for August 2017. Phasing:

HCS Project Manager:	Amber Barnhill	<u>Principal:</u>	Trevor Stra	wderman
Architectural Firm:	UWPD Architecture, Inc.			
General Contractor:	H.G. Reynolds Company, Inc	. Super	intendent:	Henry Mills

- **Project Scope:** Final scope of work approved by the Board on 9/19/2015 with no change in program budget. Scope includes significant renovations to the school and a small addition to the main entry area and auditorium expansion for back-of-house. Renovations include new HVAC systems, new fire alarm system, a fire sprinkler, new roofing, lighting, and various interior finishes. Comprehensive renovations are planned for the auditorium including new seating, lighting, and sound system. Construction is divided into six phases.
- <u>Current Status:</u> Phase 1 and Phase 2 are near completion except for flooring and JROTC. Construction is underway on JROTC and 1st and 2nd floor art/science labs. The auditorium work will begin when the JROTC area is complete due to relocation of students and staff from JROTC. Work has also begun in the weight room area.

<u>Budget:</u>	Original Budget: \$10,000,000	Board Approved Date:	6/30/2014
	Revised Budget: \$21,086,340	Board Approved Date:	6/29/2015

Budget Issues: None

<u>Schedule:</u> Design: Complete Construction: July 15, 2016 – January 15, 2018 (18 months)

- Achievements: Phase 1 and Phase 2 are near completion.
- **<u>Phasing</u>**: Current phase of work scheduled for completion by the end of January. Phase 3 (art/science labs) are under construction.

Quarterly Executive Summary New Middle School (6-8) for Carolina Forest Attendance Area Q4 2016

HCS Project Manage	<u>er:</u> Davida Rohlf		Principal:	Ben Prince
Architectural Firm:	SfL+a Archite	ects	Design Architect:	Robbie Ferris
General Contractor:	MetCon/TA L	oving J/V	<u>Project Manager:</u> Superintendent:	Charlie Rollins Mark Beach
<u>Project Scope:</u>	The project includes a new 170,918 SF, 2-story middle school for 1,200 student capacity. Approved designs are located on the HCS web site under <u>New</u> <u>Construction Conceptual Designs</u> .			
	The building design is based on a High Performance – Energy Positive concept, where the building integrates all major performance attributes which include: energy conservation, environmental, cost-benefit, productivity, sustainability, functionality and operational considerations. It also incorporates the use of various elements such as solar panels, geothermal fields, natural daylight, etc. to create an energy positive environment for the schools.			
<u>Background:</u>	The conceptual design work of the architect was completed in August 2014 and concepts were approved by the Board September 8, 2014. The Design-Build delivery method was later chosen by the Board, which is comprised of a two-part selection. The Superintendent appointed an Evaluation Committee and Part 1, Request for Qualifications, was issued and responses received on April 7, 2015. Four firms were selected to participate in Part 2, Request for Proposals. The Committee evaluated and ranked the firms. The board selected First Floor Energy Positive, LLC of Raleigh, NC to construct the five new schools.			
Budget:	Original Budget: Current Budget:	\$36,750,000 \$45,930,227	Board Approved Date Board Approved Date
