Dear Students and Families,

If your student has not taken the semester long HEALTH 2/Classroom driver Ed, here are his/her options for completing the DMV requirement for 36 hours of classroom Driver Education:

1. Take the in-person course offered through Community Education's Open Doors program <https://opendoors.digitalsignup.com/> cost is \$200.00
2. Take an in-person or online course offered by a commercial driving school. A list of these can be found by visiting <https://www.dmv.virginia.gov/licenses-ids/training> Costs vary by provider, and many require out of town travel to complete the final exam.
3. Take the online VADETS course recommended by the VDOE found at <https://vadriveredcourses.vadets.info/>. The cost is \$119.00, and the final exam must be proctored at a local school or library. Students must log in within 7 days of registration and are required to spend a minimum of 30 hours and a maximum of 120 days on the program. ***If you go this route and your student is in a county school, I am required to sign off on a permission slip for the class to open after your child has logged on and paid the fee.*** You can email it to me or stop by my office next to the Media Center at AHS. *Please also remember to email them a copy of your paypal receipt upon registration.*

Please feel free to contact our office with any questions, and have your student pick up a 45-hour Parent Guide to Driver Education, which is found next to the Driver Education bulletin board across from the Media Center.

Best,

Karen
