

School Year 2022-2023

School Highlight: eHigh San Bernardino utilizes the Blended Learning Model to teach our students. Blended learning is an education strategy that features multiple teaching methods to help students learn more effectively than one method on its own. eHigh focuses on using small group instruction as a method to acceleration and mitigation for learning loss in the past year within the Blended Learning Model.

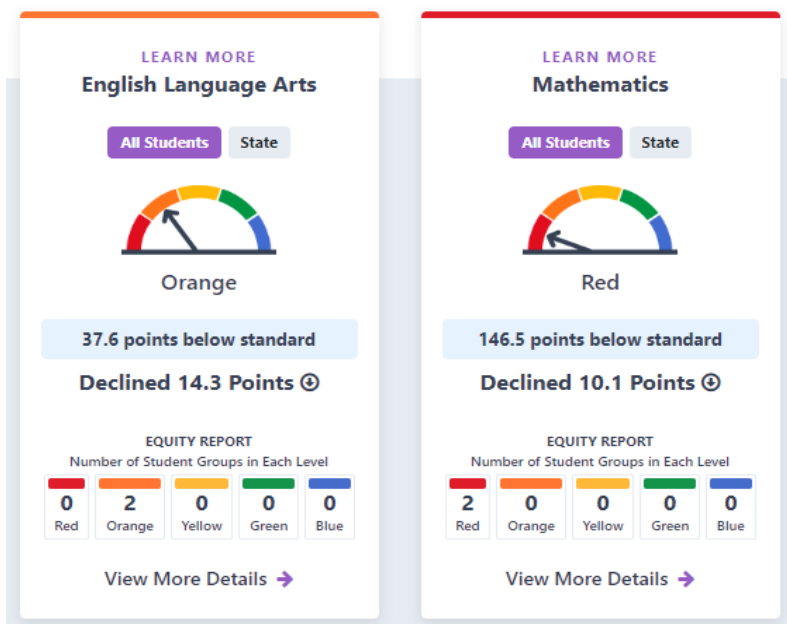

Finance Snapshot

Fiscal Services provided a “positive” certification for Entrepreneur’s 2022-2023 Second Interim Report to the San Bernardino County Superintendent of Schools.
