Treasury report- Our current account total is \$64,000. The 8th grade graduation tickets are going through the HSA account. Our Gala profit currently stands at \$17,000, however there are still a few outstanding balances left. We are looking at netting about \$12,000+. Our carnival cash raffle currently has a profit of about \$14,000. We raised \$1,690 through The Mount usher program. The estimated total for our end of the year account balance (once all balances are paid out) should be about \$52,000.

Upcoming Events

Carnival Raffle	<ul style="list-style-type: none"> • How many remaining tickets? We have plenty of extra tickets available to sell at the carnival. • There will be a wristband for the top seller in each grade group (PreK-2, 3-5, 6-8). Additionally, there will be pizza parties for the top selling grade classes. The top seller, schoolwide, will get to draw the big prize ticket at the school carnival. In terms of a schoolwide incentive for going above and beyond our selling goal, Dr. Kilty was thinking of Kona Ice (potentially next Wednesday). • Sign up genius for volunteers to sell tickets at the carnival have gone out. We will need 2 to 3 volunteers each night.
MSS Carnival	<ul style="list-style-type: none"> • We plan to have a spiritwear table similar to last year. This will combine with the raffle table so volunteers can manage both.

- Everyone needs to keep pushing for volunteers for the school carnival.

Discussion

HSA end of year donation Ideas:

- Basketball hoops on the playground - We need to talk to Mr. Kevin about what this would cost.
- Classroom projectors - We will look up how much one costs.
- Storage shed
- PA system - The school is already starting this project, but maybe the HSA could give a money donation towards this fund.
- Covering the cost of all field trips or one field trip per class. This would be a great donation idea to show the school community the good that the HSA does and what all of these events throughout the year help fund.
- Hershey park food vulture for the 8th graders.

New lead's needed for next school year

Boys night out

Breakfast with santa

Gala - we need to break this up by having several leads. It is too much for one person.

Additional notes:

- We will be shifting the spaghetti dinner to January 26th for the 24/25 school year.
- Our final HSA meeting is at the Ott House: Monday night, 6/3 at 6:30. We need to send out a sign up genius to RSVP for the last meeting.
- For next year at the back to school picnic, let's ask Lynn to create a trifold of all the HSA events. With this we can also share what the money we raise goes to.
