BID #F2024-18 Integrated Pest Management/Exterminator Services

ADDENDUM #1

This addendum contains clarifications and/or changes to the requirements of the contract and/or proposal specifications. Such clarifications/changes shall be incorporated into the contract/proposal documents and shall apply with the same meaning and force as if they had been included in the original documents. Wherever this Addendum modifies a portion of a paragraph of the contract or any portion of the proposal documents, the remainder of the paragraph affected shall remain in force.

The White Plains City School District has modified Bid, **F2024-18 Integrated Pest Management/ Exterminator Services** in the following manner:

1. Page 28, Section I, Replace Item E:

E. The contractor shall have a Board Certified (BCE) Entomologist. A full-time entomologist is highly desired, but not an actual requirement.

2. Page 28-29, Section II, Replace Item A, Paragraph 1:

A. Qualifications and Experience: Pest control technicians assigned to these facilities by the contractor must possess the following minimum qualifications and experience:

- Good knowledge of problem pests and methods of reducing or eliminating food and harborage of same, and the proper and safe use of least toxic pesticides.
- Possess the following New York State license for the following categories:
 - 7A- Structural and Rodent
 - 7B- Fumigation
 - 7C- Termite
 - 7F- Food Processing
- And other such certification as may apply to carrying out the pest management work.
- At least five (5) years of recent full-time experience in professional pest control with experience in facilities similar to a school and food service establishments.

3. Page 29, Section II, Replace Item A, 1, Paragraph 2:

The following minimal documentation regarding this individual's experience and training shall be provided in the proposal:

- Resume, including current home address.
- Bachelor's Degree in entomology from an accredited university; or a bachelor's degree in biology, chemistry, or other life science.
- Board Certified entomologist (BCE) on staff or retainer to provide review of IPM plan and issues that arise.
- Contractor shall have a state license and technicians' certification appropriate as a commercial pesticide applicator in the categories listed. of industrial, institutional, structural, and health related pest control with a minimum of subcategories to include "general pest control and rodent control."
