# Smart Schools Bond Act

**The New York Bonds for School Technology Act, Proposal 3 was approved by voters in New York State and allows districts to utilize funds for projects relating to the following categories:**

Network Connectivity

Classroom Learning Technology

Pre-K Classrooms

Transportable Classrooms

High-Tech Security

# Allocations of Smart Schools Bond Act

In accordance with SSBA requirements, funds must be shared with nonpublic schools within the district. Fund allocations are based on enrollment.

Nonpublic Enrollment  
22.6%

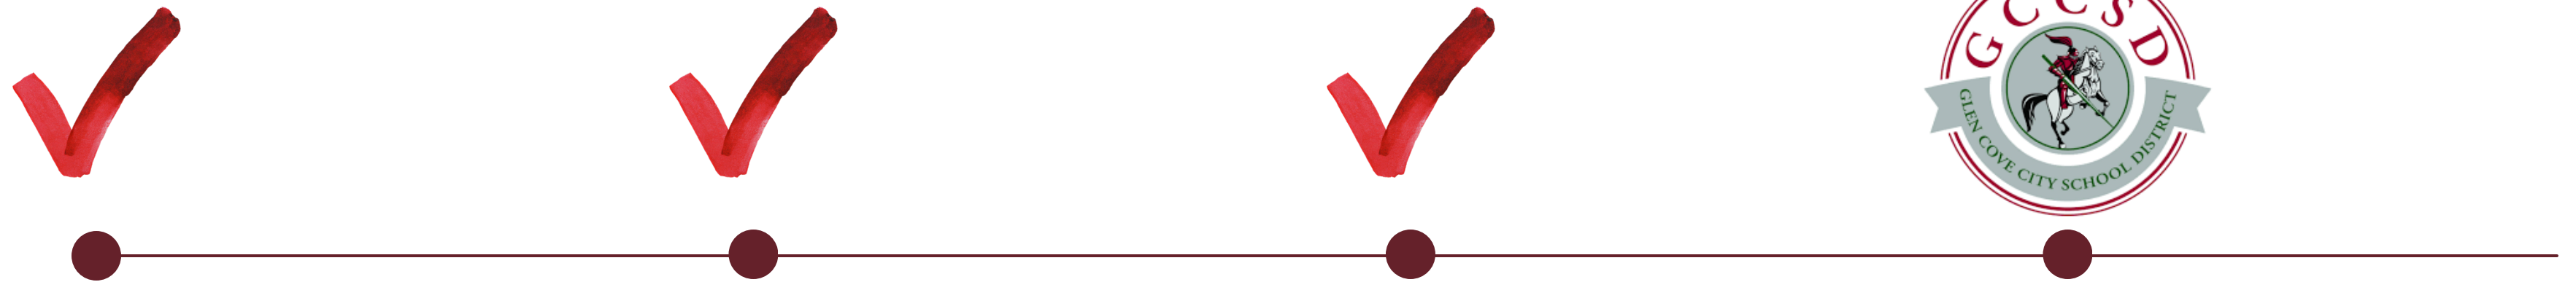

Glen Cove School District  
77.4%

# Allocation of Funds

Smart Schools Bond Act Allocation	Total Allocated to Private Entities	Total Available for GCSD
\$921,754	\$169,500	\$687,323

# Glen Cove and the Smart Schools Bond Act

## 2017-2018

GCCSD applied for a Smart Schools project to be approved by NYSED

## 2019-2020

Change in NYSED policy

Original application was returned to be amended

## 2021-2022

GCCSD proposal was approved by NYSED

Project proposals have been completed by the district using alternative funding

## 2023-2024

Final amendment proposal reflects the current needs of GCCSD

# WiFi Upgrade for High School and Middle School

- Wireless Access Points were installed in 2015
- WiFi usage and device connectivity has increased drastically
- Wireless Access Points are at end of support this summer

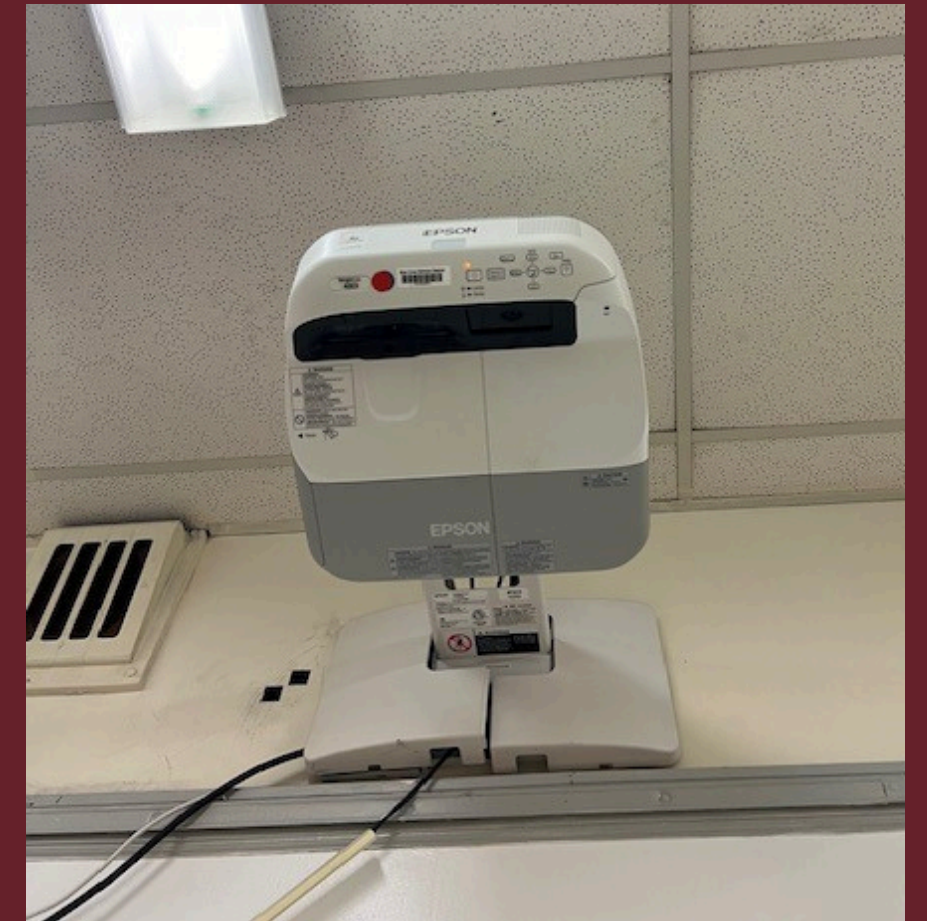

# Network Connectivity Amendment

**250 Wireless Access Points to replace existing devices**

This upgrade will improve performance, bandwidth and increase Wi-Fi density throughout designated locations within the district.

# Upgrade Interactive Displays

- Current projectors are outdated
  - Display distorted
  - Cost of bulb replacement

# Classroom Learning Technology Amendment

200 NewLine Interactive Display

- More engaging interactive elements and instant access to online resources

**Thank you!**
