A note of thanks from your Mariposa PTO:

As we wrap up another successful school year, your Mariposa PTO would like to take a moment to extend *heartfelt gratitude to each and every one of you*. Our Mariposa

community is extraordinary. We couldn't have done this year without all the support from our Mariposa families, community, and staff. Your commitment to our organization has and will continue to make a significant impact on our school community. Your dedication, time, and enthusiasm have and will continue to be valued in **supporting our students and enhancing their educational experience.**

**Together** with all of the support from our Mariposa Families, Community and Staff, here is a list of a few accomplishments for 2023-2024:

- We supported our Mariposa Teachers with various items for their students and classrooms.
- We provided many new books for our library and teachers.
- We held various family events throughout the year for free or at a very low cost (Ice Cream Social, Kindergarten Welcome Breakfast, Trunk or Treat, Polar Express Reading, Family Kickball Game, Sweetheart Family Dance, and Spring Fling).
- We treated Mariposa staff with snacks at every monthly meeting.
- We gave all Mariposa staff new t-shirts.
- We supplied every teacher with a free yearbook.
- We purchased a new rug for the Art room.
- We helped the teachers with various projects for their classrooms.
- We provided breakfast, lunch, mailbox gifts and snacks for all our staff during Teacher Appreciation Week.

Please feel free to reach out with any ideas, suggestions, or feedback. **Your input is always valued.** We are gearing up and preparing for another great year. If you are interested in being a part of the PTO in any way, please reach out to [kyrenemariposapto@gmail.com](mailto:kyrenemariposapto@gmail.com).

We look forward to another productive and rewarding year ahead with your unwavering support. **Together** we can continue to make a positive impact on the lives of our students.

***Thank you from YOUR Mariposa PTO!***

## Health Office

### Health Services

#### **End of the Year Medication Pickup Notice**

Dear Parent/Guardian:

If your student has medication in the Health Office, this is a reminder that it needs to be picked up by an adult on or before the last day of school. Medications cannot be sent home with students. **Medications not picked up by the last day of school will be safely disposed of by Health Services.**

#### **Important New information for Next School Year:**

All medication, both prescription and non-prescription, will need the Kyrene School District Health Services [Consent for Medication Administration Form](#) completed by both the parent and health care provider before the medication may be accepted at school. This form can be found on the Kyrene Website under Health Services. If you have any questions, please contact your school's Health Office.

## Mariposa Site Council

Mariposa is looking for a parent volunteer to join our Site Council. The Council serves as a forum for communication between students, parents, staff and community. The Council establishes school improvement goals and monitors progress toward those goals. As a cohesive unit, the Council helps guide in making decisions, honors accomplishments and facilitates future endeavors that enrich the school community. Please email Spencer Fallgatter at [sfallgatter@kyrene.org](mailto:sfallgatter@kyrene.org) if you are interested. If we have more than one parent who is interested, we will hold a drawing to decide.

## Attention 5th Grade Families

## ATTENTION 5<sup>th</sup> GRADE PARENTS/GUARDIANS

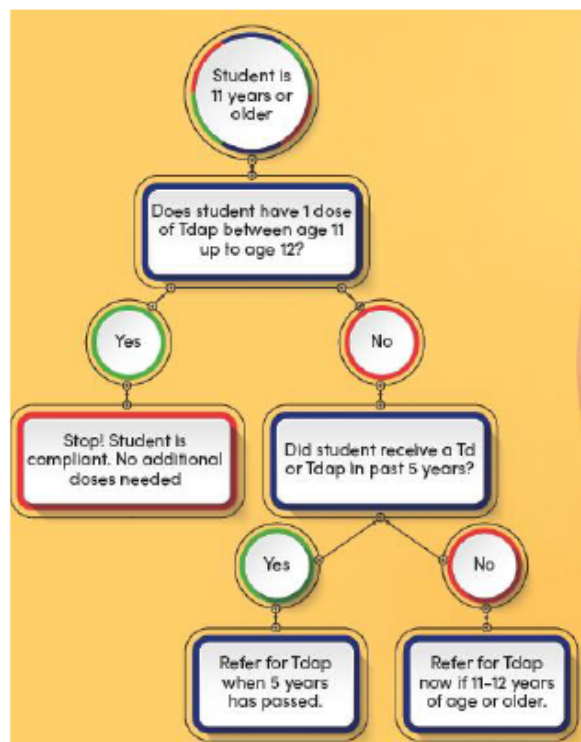

Is your child ready for 6<sup>th</sup> grade?

Are your child's vaccines up to date?

Arizona schools require Tdap and Meningococcal ACWY starting at age 11.

To be compliant students are required to have both vaccines completed by age 12.

- 1 dose of MenACWY is required. A dose administered at 10 years of age will meet the requirement.
- A Tdap given at age 7-9 years of age does not count for the 11-12-year-old Tdap requirement; a Tdap should be given once 5 years has passed since the last dose of tetanus-diphtheria containing vaccines was given.
- Retrospectively, if a child received a Tdap at age 10 as part of a catch-up series, or inadvertently earlier than the recommended age of 11-12, the dose may be counted as the adolescent dose and is acceptable to meet school requirements.
- See the flowchart to the left created by the AZ chapter of the AAP and ADHS.

*Please review your child's immunizations with your health care provider. When your child receives the necessary immunizations bring the record to school. The record must show the child's name, date of birth, the month, day, and year that the shot(s) were given and the name of the clinic or physician that administered the vaccine.*
