Theater Arts Students Shine in *Steel Magnolias* and *Heathers, High School Edition!*

Tokay Theaters Arts students were busy and successful in 2023/2024. We produced *Steel Magnolias* by Robert Harling in the Fall with two distinctive casts playing on alternate performances. This poignant story made us laugh and broke our hearts. In the spring, we produced *Heathers, Teen Edition* and saw several sold out shows and in collaboration with Mr. Steven Weikle as Music Director. This dark teen comedy was a hit! We loved to see our participation grow, and inducted 19 new members into the International Thespian Society, Troupe 2747. our Children's Theater class toured 3 elementary schools and performed an original Scooby Doo play (written by Erin Walker) to 28 classes!

Heathers, Teen Edition
