SUBJECT: EDUCATIONAL SERVICES FOR MARRIED/PREGNANT STUDENTS

Married Students

The Board of Education will comply with state law in reference to married students attending school.

Pregnant Students

A school district must provide for instruction in the home for those students of legal age who are unable to profit from instruction in school.

Administrative regulations will be developed to implement the terms of this policy to provide instruction as required by the New York State Education Law for students who become pregnant. The Superintendent, or his/her designee, is directed to consult with the school physician and the student's personal physician in determining the form of instruction.

The form of instruction may be any of the following or a combination of the following:

- a) Remain in school with provisions for special instruction, scheduling, and counseling where needed.
- b) Receive home instruction.
- c) Attend BOCES programs.
