

# CLASS LETTER SUMMER TERM 2

Dear Parents/Carers,

Welcome to the second half of the Summer Term at Nursery.  
This is always a very busy time of the year.

As well as supporting children's play and learning activities, the Nursery staff will be preparing our Autumn intake children for their move to Reception class in September.

All families will receive a written report about their child's progress and achievements in Nursery before the end of the summer.

# F1

## Our Topic

Our Nursery topic for this half term is:

### Journeys

The children will be listening to stories about different journeys such as journeys by foot, land, water or even in the air! We will be encouraging children to tell us about special journeys that they have made and enjoyed. This might be a trip to a favourite place such as the zoo, a park, a farm or a holiday destination or a visit to see family members or friends. There will be opportunities for children to make models of different vehicles and to create pictures of transport. They will be learning about features of different places as they join Barnaby Bear on his travels. The children will be making traffic light biscuits!

## DATES TO REMEMBER

12<sup>th</sup> & 13<sup>th</sup> June: PTA Father's Day Shop

17<sup>th</sup> June: School & Nursery Art Project

5<sup>th</sup> July: PTA Summer Fair

10<sup>th</sup> July: Induction Day (to visit new classes)

11<sup>th</sup> July: Sports Day

18<sup>th</sup> July: Children's last day of the term

19<sup>th</sup> July: Inset day – Nursery closed

## Reminders

Please send your child with a **named water bottle** that they can use in Nursery each day. It can get warm in the outdoor area this term and we are keen for all children to have their own bottle available on our snack trolley. If the weather gets very hot, please also provide your child with a **named sun hat**. Thank you.

## Learning at Home: 50 Things to Do Before You're 5!

We are excited to tell you about a downloadable mobile app with a range of activities for families in Warwickshire to do with their young children. 50 Things to Do Before You're 5 gives low cost or no cost suggestions for indoor, outdoor, seasonal, home based and out and about activities that are fun and also support children's learning and language development. The app is available in 108 different languages. There is also an option to build a memory bank of special moments to revisit, reflect on and look back at later in life. To find out more, please visit:
