A note from Mrs Allan

I would like to say how immensely proud I am of our school community, after a great half term. All of our children and staff have worked incredibly hard and all have all made great achievements, from great learning opportunities in school, trips out of school and exciting lessons. Everyone has worked hard on our key qualities of being *safe, respectful and ready*.

I am looking forward to events next half term, sports day and the Summer Fair, to name a few!

A huge well done to our fabulous Nurture group for their cake sale. They made an incredible £182.55 to donate towards the Mental Health Foundation.

Dear Parent or Guardian,

Trespassing on the railway network is extremely dangerous and endangers not only the lives of those on the track, but also passengers, railway staff and the general public.

Many people - especially young people - fail to understand the danger they put themselves and others in, when they make the choice to stray onto the rail network. As the school half term approaches, we are encouraging all schools, parents and guardians to keep children safe and off the railway. This includes staying off the following:

- Walking along the railway lines
- Throwing stones at trains
- Placing objects on the railway lines
- Using the railway as a playground

I am sure you agree that all of the above activities are extremely dangerous.

The British Transport Police and Network Rail are seeking the support of parents, guardians and the local community to highlight the danger and implications of these activities to help us reduce the number of young people putting themselves and others at significant risk.

To assist with the conversation there are a number of online videos available and range depending on the age group of your child:

Key Messages

- ✓ Trains are ALWAYS running on the railway and can differ in times meaning that you can never predict when a train will pass
- ✓ The Electricity is ALWAYS switched on around the railway
- ✓ Always Stop, Look and Listen before using a Level Crossing
- ✓ DO YOU KNOW WHERE YOUR CHILDREN ARE?

Trespassing on the railway is also a criminal offence which can involve your child obtaining a criminal record and a fine of £1000.
