

OJUSD Annual Report Fiscal Year 2023-2024 – Arts and Music in Schools (AMS)

1. Oakdale Joint Unified has spent its allocation in a number of ways. First, we have hired two certificated music teachers (2 FTEs) for the 23-24 school year. They have provided invaluable services to our students in all grade levels of our music and band programs, providing more classes at the junior high and high school and allowing elementary grade levels K-6 to access music class for 30 minutes every week. We have also purchased many musical instruments, supplies such as music scores and uniforms, and an online music education program for elementary students.
2. # of Full-Time equivalent teachers – 2
3. Number of full-time equivalent personnel – 0
4. Number of full-time equivalent teaching aides – 0
5. Number of students served – 2539
6. Number of school sites providing arts education – 6
7. Likely date of approval by Governing Board/Body: 6/10/2024
