PBIS Update

This month our school focused on “Encouragement.” The message to our students was “words can lift you up.” As students walked through the hall they were able to check out our bulletin board which included many encouraging phrases.

In POP groups students had the opportunity to prepare hand written notes or

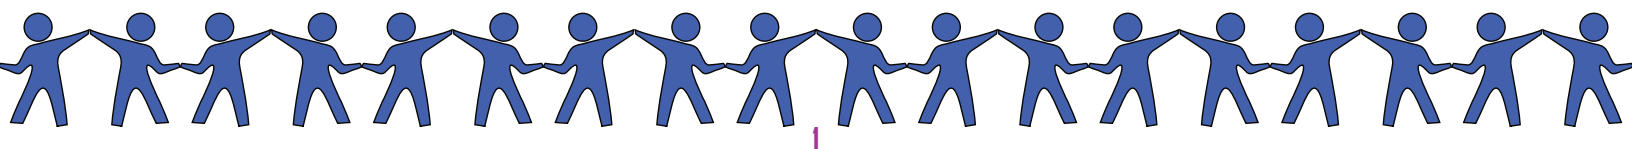

posters to support students throughout the district as they gear up for statewide testing. It is important for all students to know that this testing is taking place so they can be supportive and encouraging to one another during a time that could be stressful for some.

As students earned Panther tickets this month they were working towards a “Drop Everything and Draw” incentive. Students earned an opportunity to take a break from regularly scheduled events to draw and create with friends as large pieces of butcher block paper were spread through the hallways.

Great job, Prairie View!

Looking Ahead — Important Dates

No School: Memorial Day	May 27
Projected Last Day of School	June 7 *subject to change

Regional Math 24 Contest

Fourth graders Everley G., Reed A., and Nora C. did a great job representing Prairie View in the Regional Math 24 Contest on February 26. All three students earned blue first place tokens in their first three rounds. Everley also won a medal for third place overall and Nora won a medal for sixth place overall. Way to go Prairie View Panthers. We're proud of you!

Concerts

Third Grade Concert —
Friday, April 19th
2:15-2:45 in PVE's Big Gym

Fourth Grade Chorus and Orchestra Concert —
Monday, May 6th
6:00 in PVE's Big Gym

PVE Program Visitors

Please let us know if you are planning to attend a PVE program in order to help facilitate a smoother check-in process. ID is required to enter. Please be prepared to present your ID when you arrive. Fill out the Google form sent by the teacher for each adult planning to attend.

The parking lot is very congested at this time of day. You may want to park on a side street in order to avoid the pick up line. You may not be able to exit the parking lot until the pick up lines clear around 3:00 p.m.

Spectators should exit the building using the side doors in the big gym. Students will be going back to their classrooms and we will proceed with our normal dismissal process. If your student will be going home with you, please let their homeroom teacher know. Pickups for students will be outside on the front sidewalk.

Parking Lot Safety

Please be mindful of safety in the parking lot and pick up line. Please drive very slowly and be aware of pedestrians. We ask that you put down phones and drive with your full attention. If you arrive early and have a long wait, please park in the lot and turn off your vehicle rather than idling in the pick up/emergency lane.

Snacks

Please send your child with a snack each day, if your family is able. Consult the classroom teacher for specific routines regarding snacks. PVE will provide a snack for hungry students in need.

Attendance Line — 608.835.4200, Option 1

If your child is absent from school for any reason, it is imperative that you call the attendance line (835.4200, Option 1) BEFORE 8:00 a.m.

Please leave a clearly spoken message with your name, your child's name, and the reason for the absence. Last minute calls should come directly to the office (835.4200, Option 0). Please do not phone or email office or teaching staff directly as those messages may not be received by the person verifying attendance.

Important Reminders

- If you need to pick up your child during the school day for an appointment, please call the attendance line and send a note in the morning to the homeroom teacher, as well.
- Please make all after school plans with your children **prior** to the beginning of the school day. **Please don't ask us to relay messages to students for a change in plans or to deliver dropped off items, unless there is an emergency, as it can cause confusion and it is a disruption to the classroom and learning environment. If you have a change from the regular routine, please send a note in the morning for the teacher and inform bus drivers and childcare providers, too.**
- **Children should arrive at school no earlier than 7:35 a.m.** Student supervision is not available before then. The school day runs from 7:50 a.m. until 2:50 p.m. Children should arrive in time to be ready for class to begin at 7:50. **Students leaving before 2:50, will have their attendance marked accordingly.**
- **The school day ends at 2:50.** Children not riding the bus or walking/biking home, **must** be picked up at that time.
- We ask that pets not be brought on school grounds.

OREGON SCHOOL DISTRICT

Weather Concerns

With the advent of cooler weather, inclement weather, and unsafe driving conditions, it does become necessary at times to start school late, dismiss early, or not be in session at all. The Oregon School District will communicate school cancellations, delays, or early releases in the following ways:

- Campus Portal message alerts-alerts you receive are based on your selected preferences
- School District website: www.OregonSD.org
- Local news stations
- District Facebook page

Cancellations and Late Starts

If school will be delayed or closed for the day, the District will make every effort to make the decision by 5:30-6:00 a.m. (the normal timeframe for closures). We understand that many families prefer to make plans for school closures as far in advance as possible; however, weather patterns are not always predictable and weather-related impacts for schools are not often clear until early morning hours on the day of the potential closure. We thank you for your understanding on these days of potential weather-related closures.

At all times and in all cases, families make the final decision on attendance at school on inclement weather days. If no school delay or cancellation is issued and you believe the conditions (e.g., road conditions, temperature) are not appropriate for your student, you are free to keep your student home and the absence will be excused. If you choose to keep your student home, please call the PVE Attendance Line to report the absence. If an announcement is made stating that school is to start late, bus drivers will make arrangements to pick up students one or two hours later than their usual pick up time (ex: with a one hour delay, the bus will pick up students one hour after their usual time, a two hour delay will be two hours after their usual pick up time).

Caregivers, please make sure that you have turned in your early closing plan that was sent home earlier this year, in case an early dismissal is called. Also, inform your child of the plans, if you haven't already done so.

PVE mission is to "nurture learning in a safe and positive environment where all can achieve their best and become responsible and respectful citizens..."
