Week 99

Head Teachers Review of the Week

'Sixth form have had a busy week this week with different events and bidding farewell to Year 13 in their leavers assembly. We wish them all the best in their exams and journeys ahead.

Once again I am so proud of the incredible work from our students which is showcased within this newsletter. Well done to everyone who has featured in this weeks edition. Keep up the incredible work'

Best wishes

Sam Godfrey, Director of Safeguarding

Sunset and Aurora Homework - Ava year 10

An aurora, also commonly known as the northern lights or southern lights, is a natural light display in Earth's sky, predominantly seen in high-latitude regions. Auroras display dynamic patterns of brilliant lights that appear as curtains, rays, spirals, or dynamic flickers covering the entire sky. Sunset is the disappearance of the Sun below the horizon of the Earth due to its rotation. As viewed from everywhere on Earth, it is a phenomenon that happens approximately once every 24 hours, except in areas close to the poles. The equinox Sun sets due west at the moment of both the spring and autumn equinoxes.

Respect, Resilience & Kindness

6TH FORM

There has been lots of activity in the Sixth Form recently. We wished Year 13 all the best for their forthcoming exams and celebrated with a Leavers assembly on 14.5.24. Students enjoyed access to a Photo Booth, Food and drink and awards to students were issued by the Student Leadership Team.

Respect, Resilience & Kindness

6TH FORM

Year 12 had Loudmouth visit on 30/4/24 where students were involved in Calling It out sessions to raise awareness of the use of language in relationships.

THE BIG HELP OUT

Be a part of The Big Help Out – a National event!

- ✓ Do you have gardening skills?
- ✓ Can you make a raised bed or plant a plant pot?
- ✓ Do you have some gardening tools to bring and help out?
- ✓ Can you help with painting?

Friday 7th June
3.15pm – 5.00pm

Please let Mrs Loydall know you are coming by completing the MS Form via the QR code

Soft drinks and biscuits will be provided.

As it ends after school hours, you will need to be collected by a parent/carer – permission form will be sent out ASAP.

Our aim is to make our Rainbow Garden (behind Refocus) ready for summer!

Summer water safety

Accidents are mostly preventable with the correct knowledge and judgment and here are our tips to staying safe in the water during the summer:

To enjoy the water safely and make the right call...

- **Enter slowly and carefully**
Think carefully about your ability to splash or swim in cold outdoor water. 49% of those who lost their life were classified as swimmers*. Are you really a good swimmer?
- **Stay within reach**
Don't go too far and stay within a standing depth.
- **Always be supervised**
Over 70% of fatal accidents occur in the absence of professional supervision. Seek life guarded areas and always make sure some one is available to raise the alarm.

Summer is an amazing time to enjoy our beautiful waterways but we must be mindful that warmer weather is directly linked to an increase in fatal drowning incidents.

Rivers and Lakes/Lochs pose the greatest statistical risk as there are often hazards that the average person is equipped to handle and there is a lack of professional supervision.

In an emergency...

- **Call 999**
Ask for the Fire and Rescue Service when inland and the Coastguard if at the coast. Don't enter the water to rescue.
- **If you're in trouble FLOAT and call for help**
Fall in or become tired – stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.

STOP AND THINK

STAY TOGETHER

CALL 999
