

**Rezoning Committee Meeting
Mary E. Britton Middle School – Via Zoom
May 14, 2024 - 5:30 PM**

Attendees: Denis Beall, Erin Bookman, Bill Bradford, Amy Bridges, Jessica Hiler, Steve Hill, Jennifer Kendall, Monica Munday, Sherry Price, Nikita Reed, Boyd Sewe, Myron Thompson

The meeting began at 5:32 pm. Mr. Hill thanked everyone for their time. The previous meeting presentations have been placed on our website under Pupil Personnel/Rezoning Committee. A Rezoning email address has been set up for the community to send requests and questions.

Mr. Hill spoke to Policy 9.11 School Attendance Areas and Redistricting Proposals. There it states before Board approval of any rezoning, there will be community forum(s) for input from families and community. The public will be notified through the schools or by public notice.

Ms. Riguis, Davis Demographics, shared the 3 scenario's from previous meetings. The committee reviewed the student numbers at all middle schools after changes were made from scenario 1, 2, 3 with forecast of enrollment each year to 2027.

There was a request by email from a community member to move Tuscany resident students (39 students) off Sir Barton into Mary E. Britton Middle. Ms. Riguis displayed that scenario (scenario 4) and enrollments were review with that change. The forecasting of all 4 scenarios are projections only.

Mr. Hill suggested the next step will be to communicate to families of the possible impacted areas and host a meeting for the families to attend with questions.

The meeting adjourned at 7:02 PM
