

2024 Spring-Ford Girls Golf Rules and Expectations

**Athletes are expected to attend every game and every practice.**

If you are in school, you are expected to be at practice. If you are not at practice, that is counted as an unexcused absence. Missed matches or practices due to suspension or detention for behavioral offenses count as unexcused absences. Understand we have practices and matches before the start of the school year, attendance will be expected!

**One unexcused absence = Game suspension**

**Two unexcused absences = Removal from the team.**

Inappropriate behavior and horseplay will not be tolerated.

All student-athletes are subject to the academic eligibility policy. If your name appears on the coaches' weekly ineligibility lists you will be required to get help from your teacher after school. If you need to stay after school for academic help or test make up, tell Coach Brennan the day before and bring a signed note from the teacher the day you are late.

Have your ride pick up you promptly from the practices and matches. This should not be a problem since you will have a schedule with all times on it. You will ride the van to and from all matches/practices. Everyone is expected to wait till the end of all home matches before you can leave.

Team members are responsible for the following:

- Individual Equipment-Can be stored at the 10-12 center Monday-Friday. Everyone must take home clubs with them for the weekend
- Uniforms

The Spring-Ford School District and I have a zero tolerance policy for the use of drugs, tobacco, and alcohol at any time during the season. You will only hurt yourself and the team if this rule is broken. An immediate dismissal from the team will follow if this rule is broken.

If there are any questions on any of the rules or expectations then please call or contact Coach Brennan at
