Long Weekend

CSDA Happenings

Grade 4: Fourth graders are immersed in reading poetry and beginning to write down ideas and lines for developing their own poems. They are learning about stanzas, stanza breaks, slant rhymes, alliteration, and repetition. Social Studies classes continue to delve into the NH Industries that were fed by waves of immigration in the 1820's and beyond.

Grade 5: Fifth graders are learning about fossils and chemical matter in their Amplify CKLA Reading experience. In Social Studies, students are continuing to learn about the American Revolution.

Grade 6: Sixth graders have been working on a few writing pieces relating to elementary school memories to end the school year. Some are in the form of poetry, some written as a "remember when..." question for their classmates. We are excited to choose a few to share at our sixth grade promotion ceremony!

CSDA Unified Arts: In physical education students are participating in a "Soft" Lacrosse unit. Students will be introduced to skills such as stick handling, passing, shooting and basic goalie techniques. Classes will finish the unit with some modified game play.

Have a wonderful weekend!
Mrs. Bouley

RMMS Happenings

Pre-K: Preschoolers have enjoyed watching their butterfly metamorphosis. Next week, they will begin their final unit on the farm and start working on end-of-the-year t-shirts.

Grade K: Kindergarteners are working hard as they compose shapes! They are using more spatial awareness skills they explore which shapes fit into each other and how.

Grade 1: First graders will begin their geometry unit in math. Students will learn about the attributes of 2D and 3D shapes. First graders will also learn about the suffix -es in Foundations.

Grade 2: Second graders will be incorporating addition and subtraction into their measurement study in math. In reading, they will continue to investigate how characters can change and develop over time throughout a series.

Grade 3: Third graders are writing their scripts and practicing for their Wax Museum presentations. They are shifting from equivalent fractions to volume and measurement in math and focusing on animal adaptations in science.

RMMS Unified Arts: In PE class students are wrapping up the year with striking activities. Their focus is on paddles and performing the underhand strike. In health, classes are working on summer safety.

Have a great weekend!
Mr. Molinari

**Seasonal Allergies-
Keeping Symptoms
in Check**

Symptoms include: congestion-sneezing-itchy eyes, nose, and throat-post nasal drip-fatigue-cough **Discuss a treatment plan with your child's doctor for the best relief/treatment options.** If your child is experiencing symptoms, please administer medication at home. We **DO NOT** have over the counter oral allergy medication or allergy eye medication at school. If your child may need additional medication during the school day, contact the nurse for the forms needed to provide other medication to administer at school. After being outside, remind your child to wash their hands and face to remove surface pollen.

**MAY 24, 2024
NATIONAL SCAVENGER HUNT DAY**

There are a lot of scavenger hunt fun activities online. I have added several links for different age groups. ENJOY!

CSDA Field Day

Volunteers needed for field day at CSDA! Field day will be held on Thursday June 13th from 8:45-11:00. Volunteers are needed to help run the activities for our students. There are indoor and outdoor activities to sign up for. Please email Mrs. Van Dyke at tammy.vandyke@sau41.org if you would like to volunteer.

Field day takes place rain or shine and is always a fun day!

Please remember all volunteers must have completed the SAU training. Hope to see you there!

Dear Families,

This year's Field Day is going to be on **Friday, June 14th**. The rain date will be **Monday, June 17th**. Field Day is a big event here at RMMS and we're always looking forward to this exciting day.

HELP WANTED!!!

This day cannot be successful without volunteers like you! We appreciate the time that you give. Due to scheduling and streamlining the assignment process, **we are only accepting all day volunteers who have already been approved by SAU 41**. This being said, all volunteer duties are completed by 12:30 p.m.! This year we are asking parents to sign up to volunteer through the [Sign Up Genius](#) app. We will accept the first 40 volunteers to sign up. You will receive your assignment and station directions via email. After signing up to volunteer, look for an email from Steve Martus for more information. Any questions, please contact Mr. Martus at stephen.martus@sau41.org.

Thank you,

The Field Day Committee

“Buy A Book” Hallway Project

The Brookline PTO would like to help re-decorate the RMMS entryway since the recent renovations. Some of the original hallway books remain, but we would like to complete them and add to this library!

Purchase a “book” and choose the title and we will paint it on our entryway wall. The title can be anything. We have had many creative books already purchased like: Hunter's Awesome 4x4 Adventure, Super Teddy Saves the Day, The Disco Zoo and Melody's Candy Shop. You can use your name,

your child’s name, a favorite animal, a favorite food, a favorite memory or anything else you would like to name your book. Be Creative!

Order your books today and help us fill our “library”! We are hoping to turn our entryway into one that starts our children’s days off with happiness from the moment they walk in the door. We appreciate your help and support!

Please submit all orders by Friday, June 14, 2024. Painting will be completed this summer. Orders can be sent to RMMS/CSDA offices, or order directly on the PTO website at:

<https://brooklinenhpto.ptboard.com/>

Each “book” will cost \$10 and all funds go to the Brookline PTO

<i>All money raised benefits our schools through the PTO.</i>	Buy a Book - \$10 each (make checks out to Brookline, NH PTO).

Not a School Sponsored Event

A flyer for a baseball gear donation event. The background is green with a large yellow baseball in the top right corner. A cartoon illustration of a baseball player in a white uniform with the number 8 and a cap with the letter 'A' is on the left. The text is in a bold, sans-serif font. The title 'Baseball Gear Donations' is in yellow on a green background. A red box contains the text 'Any used equipment!' and 'Equipment can be dropped off in collection bins located in the HUES and HPS foyers'. The dates 'May 29th - June 14th' and 'USED BASEBALL GEAR' are in yellow on a green background. A disclaimer 'This is not a school-sponsored event' is at the bottom.
