8:30 AM - 12:30 PM

# SUMMER MANUFACTURING CAMP

Campbell City Schools in conjunction with the City of Campbell have embarked on a community beautification project. Students will design and construct various useful resources that will bring a facelift and a place for all community members to gather at the area once known as the historical company homes of Campbell, Ohio.

## Students Will:

- learn the skills necessary to operate tools for small projects
- plan and create using the design cycle
- work collaboratively to construct projects for the beautification site

## Program Dates

17-21 June

week 1

June 19th - NO CAMP  
Observe Juneteenth

24-27 June

week 2

Grades 3rd-12th
