

# Mathematics Teacher Recommendation Form

Please return this form by January 15 to:

Office of Admission, Blair Academy, Post Office Box 600, Blairstown, NJ 07825-0600 or email a PDF to [application@blair.edu](mailto:application@blair.edu).

To the current classroom teacher of MATHEMATICS of: \_\_\_\_\_

*Applicant's Name—Please Print or Type*

The applicant is a candidate for admission to Blair Academy. Your professional assessment of this student's progress in mathematics will be valuable to the Admission Committee and to the Dean of Academics in planning the student's program at Blair. We would appreciate your supplying the information requested below.

## Academic

1) Please give the name of the course in which the student is currently enrolled.

---

2) Sections are sometimes designated in ways to indicate the course's degree of advancement. What, if any, such designation pertains to the applicant's section?

---

---

---

3) Please list the texts used in your course. Indicate by pages or chapters and sections the material to be completed by the end of this year. Your indications of the depth of coverage will be helpful as will any information about any major departure from the work of the text.

---

---

---

4) In what areas or with what kinds of problems is the applicant proficient? *(Please give examples.)*

---

---

---

5) In what areas or with what kinds of problems is the applicant encountering the greatest difficulty?

---

---

---

---

6) We require all students to complete a three-year sequence of algebra I, geometry and algebra II. For strong mathematics students, a complete course in trigonometry is included in an algebra II honors course. Advanced courses and electives are available to students who have satisfactorily completed the required sequence. Our advanced courses include a variety of offerings in pre-calculus, non-AP calculus, AP calculus (AB) and AP calculus (BC). A course in math review is offered to those students interested in math but not sufficiently prepared for pre-calculus. In your judgment, where should the applicant be placed in this program?

---

## Social

7) Is the candidate courteous and mannerly in social relations?

---

---

---

8) Is the candidate reliable and/or dependable?

---

---

---

9) Describe the candidate's personality.

---

---

---

10) In relation to others of the same age you have known, please summarize your rating of this candidate.

	Outstanding	Excellent	Good	Fair	Poor
As a person:	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
As a student:	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
