'Best time of the year'

Board recognizes top students

Students were the highlight of the May CISD Board of Trustees meeting as individual and group achievements were lauded.

Kara Wallace, Head Band Director and Director of Fine Arts, presented a report on fine arts activities throughout the year.

Senior Chase Gossett (right) played a piece on the marimba that he will perform at the state competition. Chase also placed 8th in the state UIL track meet in the 3200m run.

Ag Mechanics nab high honors

Ag mechanics teacher Courtney Goodwin showcased her students who received awards for their welding projects at the Hunt County Fair and major Texas shows.

Students excel in livestock events

Ag teacher Jaclyn Brent proudly shared the accomplishments of the students who showed livestock throughout the state.

ON BOARD

Board members take office

Votes were canvassed and three returning board members were declared winners of the May 4 trustee election.

(Above left to right) Tamara Beadles, Ann Reel and Doc Pierce will serve three-year terms.

BOARD ACTION...

The Board approved:

- the Community Eligibility Provision which will allow every student to eat meals free at all campuses;
- additional fencing around CHS and CMS to comply with state requirements. Fencing is being paid for by state grants; and
- renovations to the CHS football field including adding band bleachers, additional outlets, doors windows and safety walls.

Enjoy the summer!

**We will be busy planning
a great 2024-2025**

Coach Evan Dezern said his CHS boys track team had a successful year with varsity winning first place in many meets including district and area. The JV team were district champs, as well. Twelve students were regional qualifiers.

The CHS girls track team was also recognized for their district and area runner-up placing. The team had a conflict and were unable to attend the meeting.

Coach Teri Miller explained that the eighth-grade girls track team was the back-to-back district champ, undefeated. Seventh-grade girls finished runner up at Cooper, Rains and Honey Grove.

Coach Jason Holcomb presented his CMS boys track team and stated that the eighth-grade team won every meet and the District title. The seventh-grade team won four of five meets.
