

# Measure LL Community Update 2024

May 14, 2024

Dr. Matt Doyle, Superintendent  
Dr. Shawn T. Loescher, Chief Operations Officer

# Measure LL: An Overview

*Measure LL is a \$247 million bond initiative approved by the voters in Vista in November 2018. The goal of the bond is to make facility improvements in six identified areas of need that are known as bond project categories.*

Figure 1. Measure LL Bond Issuance and Project Investment Timeline to Date.

## BOND PROJECT CATEGORIES

- **Category A:** 21st century learning environments to support STEM and Career Technical Education
- **Category B:** Modernize technology infrastructure
- **Category C:** Campus safety and security
- **Category D :** Modernize and upgrade utility infrastructure, building systems, and install energy efficient systems
- **Category E:** Basic facility upgrades and to meet current academic and safety standards
- **Category F:** Remove portable buildings from school campuses

# Measure LL: As of May 2024
