CLASS OF 2024

Dr. Jesus H. Chavez

SUPERINTENDENT

To the Senior Class of 2024,

You are standing at the onset of what will be a wondrous and defining journey for each of you. You've worked hard, reached magnificent heights, and shared in an abundance of experiences together; all of which, has led you here to this moment.

There is no doubt that this is a major accomplishment in your life, but I promise you: this is only the beginning. Each of you must now embark on your own personal voyage of growth and discovery. You will build upon yourself, becoming the person you choose to be. The life you've dreamed of throughout the years; now is the time to make it reality.

Remember that your journey will be entirely unique and beautiful. You will see classmates posting about their first day at their university, or the new vocational skills they've acquired. You may see your friends beaming with honor in the Armed Forces. Some will find pride in the frontlines of the workforce. Remember, there is no right or wrong path. You will see many different forms of success. Now, is the time to find yours.

Give things in life a chance. You have no idea what you are capable of until you try. Look at all that you've already accomplished in your young life. Never allow uncertainty to dictate circumstance. Allow yourself every opportunity to learn. Education does not have a singular design. Any moment, conversation, or experience can be a lesson. Life will shape you. Be open to it. Lastly, let's not overlook our fellow humans. Remember, every personal journey entails struggles. Every person you encounter can use a helping hand at some point in their lives. Kindness is such a powerful thing. It can help build people, and in turn, build community.

This is your moment. You've accomplished so much, but there is more to come. So, throughout the long hugs and teary smiles, remember that though this chapter has ended, you are entering a new one. Know that you've proven your capability. There is nothing you cannot do. Pave your path.

On behalf of the Brownsville Independent School District Board of Trustees, and myself, congratulations!

Beatriz Hernandez

CHIEF ACADEMIC OFFICER

Dr. Norma Ibarra-Cantu

CLASS OF 2024

Congratulations on reaching this incredible milestone! Your hard work, dedication, and resilience have brought you to this momentous occasion. As you step into the next chapter of your lives, remember to embrace challenges with courage, pursue your passions with conviction, and always strive for excellence. Your journey doesn't end here; it's just beginning. Stay true to yourselves, chase your dreams, and make a positive impact on the world around you. We are immensely proud of each and every one of you. Every one of you here today, can say, I AM A LOPEZ ECHS graduate. Be proud of who you are, where you come from and never forget Lopez Lobos always *Lead the Pack.*
