Average Daily Attendance

This schedule reports our projected Revenue Limit ADA. Average Daily Attendance, ADA, is calculated by dividing the actual days of attendance by the possible days. Thus, if pupil attended 150 days out of a possible 180 days, the pupil would generate 0.84 ADA for funding purposes.

Days attended divided by days possible.

The increase in ELOP funds, Art, Music & Learning Recovery Grants, is allowing the district to invest in third-party contracted services to provide additional support to students. This includes expanding CORAL services to have a great number of students participate in extended learning after school, after-school online tutoring services, and expanding intercession services. Lastly, we have hired more contracted services (i.e., mental health services) this year to make up for staff shortages.

Due to declining enrollment, expiring one time funds and increased STRS and PERS rates and other cost increases the district projected deficit spending in all years. Toaddress deficit spending and preserve our reserves the district will need to plan further reductions in operating expenses and staffing due to declining enrollment. The district will continue to be proactive and explore new cost savings strategies to provide relief to the district budget.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upony settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide witten comments to the president of the district governing board and superintendent.
