The Alexandria City School Board (Board) recognizes that community knowledge and experience can be useful in the Board’s governance of the school division. The Board may involve residents both as individuals and as groups to act as advisors and information resources.

The Board calls meetings of the people of the school division for consultation in regard to school interests thereof when it deems such meetings to be necessary.

The Board may appoint a committee of not less than three nor more than seven members for each public school in the school division. The committee’s duty will be to advise the members of the Board with reference to matters pertaining to the school and to cooperate with the Board in the care of the school property and in the successful operation of the school. Such committees serve without compensation.
