Mr. Weaver asked which school(s) purchased uniforms on the Bills List since it was not in the description.

Mr. Usami indicated that the purchases were for Pascack Hills. He mentioned that the account number series identifies the school. An 07 is Hills and 06 is Valley. It is the next to last set of numbers in the series.

X. OLD BUSINESS

None

XI. NEW BUSINESS

Mr. Weaver referenced a communication sent by the athletic director at Hills which he was required to do. It mentioned that indoor track meets including the Bergen County Championships held at the Armory in NYC would exclude anyone who is not vaccinated for COVID-19. He asked if the Board is meeting the requirements to the child(ren) who cannot participate. He mentioned that the Armory is used because of the quality of the facility and how it can accommodate a large event. He added that New Jersey does not have such a facility. He commented that they could have influence on the county

championship. He asked if the Board would support committing additional funds to support the event taking place over several days at a New Jersey venue. He did not know the logistics of doing this or if it could be done. He would like to see if there is support from other districts in order to move the county to this alternative.

Ms. Stephans would like to know how many students this would affect.

Mr. Weaver and Dr. Fishbein indicated that the number is unknown since signing up for winter track has not started.

Mr. Blundo agreed with Mr. Weaver and indicated that the Board could send a letter to the organization stating that the district would fund its share and to find a NJ venue.

Mr. Fronte asked what would contribute to the additional cost.

Dr. Fishbein said not only transportation, but renting the venue. He said he would speak with the athletic directors about all of this. He commented that the bubble at Toms River is used by organizations in that region, so it may not be available.

Mr. Weaver asked about the other events. He asked philosophically if the Board is comfortable excluding unvaccinated students while others participate in those events in NYC.

There was discussion. Dr. Fishbein indicated that the Armory is the premier track facility in the region and the ones local to the district are sub-standard. He said he would have the athletic directors reach out to their organizations.

XII. COMMENTS FROM THE PUBLIC

Citizens are invited to make comments and are limited to five minutes, according to the Pascack Valley Regional High School District Board of Education policy number 0167. Persons wishing to speak must, upon being recognized, rise, sign in and state their name and town of residence.

Eli Moallem of River Vale commented that the role of a board member is to advocate for kids and their education, be a steward of tax dollars and not waste them on social experiments, be considerate, respectful and inclusive of all families, and to keep their word. He said (we) appreciate the members service, they are disappointed with some members. He indicated that the National Association of School Boards called on the FBI against parents who did not like the direction of their kids' schools. An apology was issued, but it did not change the course of some people's lives. He said there have been disgusting number of attacks on the community who have stood up for a different path forward. He indicated that he was a victim of character assassination and an unrelated person who had nothing to do with the town or race was dragged into it. He said it was hate and he mentioned that it was astonishing that no one on the Board denounced this attack. He indicated that the person who put this out apologized, but it was too late. He commented that the schools have been taken over by political interest groups. He said parents have had enough of the schools being sexualized and racialized. He wanted to know when the Board draws the line as it is hurting the kids. He mentioned that he had a

cordial and meaningful conversation with someone who is not a fan of his on many issues they agreed on. He said he is willing to work with anyone who wants to advocate for the kids, no matter if he is on the Board or not.

XIII. ADJOURNMENT

A motion was made by Mr. Weaver to adjourn the public session at 8:08 p.m. Mrs. Martin seconded the motion, which was unanimously carried.
