### **IV. ROUTINE MATTERS**

Monthly Reports

Superintendent's Report: Mr. P. Erik Gundersen

Happy Holiday's to all and we thank our staff members, students, and parents who are here this evening to be recognized for how well you continue to represent our school district. We are proud of your accomplishments and thank you for being here so the Board can say thank you and congratulate you on your achievements.

We have the pleasure of welcoming our district auditor here this evening who will be providing the Board with his annual summary of findings regarding the district's accounting. We will be hearing from Mr. Jones in a few minutes.

Last week I had the opportunity to meet with all four police chiefs regarding our annual memorandum of agreement. We spoke at length of the benefits of our SLEO III partnership at Pascack Hills High School and that we are looking forward to moving forward with the SLEO III arrangement at Pascack Valley High School. In addition, the police departments and the district will be partnering together to combat reckless student behavior that sometimes involves off-campus drinking and drug abuse. As a condition of a police, stationhouse adjustment, the police will have the ability to have a student attend the Pascack Valley Regional counseling program called, Teen Intervene. Teen Intervene is a program that is designed to alert students to the dangers of drug and alcohol abuse and work with the student and their family to assist them in making more responsible choices. I would like to commend the police chiefs for their willingness to partner with the district so that we may assist our students and their families as they struggle with issues surrounding alcohol and drug abuse.

On a much brighter and uplifting note, I am thrilled to announce our new Teachers and Educational Service Professionals of the Year:

PV – Teacher of the Year: Ken Sarajian  
PV – Educational Services Professional: Frank Andrisani  
PH – Teacher of the Year: Kevin Killian  
PH – Educational Services Professional: Rose Welyscko

This is the season for winter holiday concerts and world language honor society induction ceremonies. I wish everyone a healthy and happy holiday season!

Thus concludes the Superintendent's Report for December 18, 2017.

Student Reports:

Olivia Lein – Pascack Hills High School

On the half day before Thanksgiving break Hills hosted the 1st annual Homecoming Breakfast. It was a huge hit with both alumni and staff. Over 60 graduates attended the PFA sponsored event!

On November 29th, Ms. Gamgort's Entrepreneurship Class visited Met Life Stadium for Business Management Day. Students received an inside look at the business side of the stadium and football operations.

It was another hugely successful toy drive for Project Paterson. With contributions from students, faculty and community members, 1562 toys were collected and will be distributed to underprivileged school children in Paterson. This exceeded last year's record of 1507 toys.

On December 6th, the World Language Honor Society inducted 74 new members into the Hills Chapter. Seniors from all 4 of the World Language classes took the oath and performed "We are the World".

On December 7th, all students viewed the documentary "Screenagers" during PE classes. While the film was informative, many of my classmates and I believe the presentation was one sided and focused only on the perceived negative aspects of technology use.

This past Wednesday, the band and chorus treated the community to the annual Winter Concert. Students saw abbreviated version of the program during Pascack Period, while family and friends took in the complete show Wednesday evening. It was a great performance that showcased the musical talents of over 140 students. It was the first concert under the direction of new band director, Mr. Dore. Congratulations to him and Ms. Elkin and all student musicians for a very memorable concert.

The Winter Sports season started last week. Some of the highlights included victories by both the boys and girls bowling team. Congratulations to Mr. Saxon on this early season success and on his first victories as the new head coach.

This Past Saturday in the first meet of the season, Liam Landau broke two Hills indoor track records in just 15 minutes! Liam jumped an amazing 20 feet 4 inches in the long jump, and just minutes later cleared 14 feet in the pole vault!

Amelia Moran – Pascack Valley High School

The PVHS Athletic Department is excited to announce for the second year in a row that Pascack Valley has been recognized as one of the best high schools for athletics in New Jersey by Niche. According to its website, Niche “rigorously analyzes dozens of public data sets and millions of reviews to produce comprehensive rankings, report cards, and profiles for high schools and colleges.” Niche’s ratings recognize the commitment, efforts, and support of our student athletes, coaches, athletic administration and trainers, building and grounds staff, student body, and PVHS administration. Congratulations on earning the most recent distinction.

The PV World Cultures Club was proud to present the first luncheon of a series dedicated to the regions of the world. December’s focus was Scandinavia! We discussed all aspects of Scandinavian culture, and analyzed those that are touched upon in the animated film FROZEN. We also made and enjoyed authentic "princess cakes."

Students in Mrs. Borghi's AP and honors classes have just concluded the first part of the 2017-18 student exchange with the Scientific School Leonardo DaVinci. Under the tutelage and expert guidance of Mr. Koenig - physics teacher at Pascack Valley - the visiting Italian students were able to carry out a project with the University of Bruxelles. We extend our gratitude to the families and community members that have and continue to support this program. This is another great example of how diversity and a global perspective are indispensable in promoting collaboration and to advance excellence in education.

The PVRHSD Family and Consumer Science Department will host an Edcamp professional development event at Pascack Valley for local Family & Consumer Science Department teachers on Monday, January 15.

The PVRHSD World Language Department will host the New Jersey Department of Education on Wednesday, January 17 at Pascack Hills and Pascack Valley.

Students from Pascack Hills and Pascack Valley are invited to self-nominate for STAMP testing to qualify for the New Jersey Seal of Biliteracy in late January/early February. Currently, 130 students have signed up for world language testing!

Through two Valley Cup fundraisers, on National Youth HIV & AIDS Awareness Day and World AIDS Day, PV Theatre has raised \$900 to support the work of Broadway Cares/Equity Fights AIDS.

Anthony DeRosa, council liaison from Hillsdale reported that a fair share housing agreement was reached. A present need of 26 units was agreed upon which can be met through existing inventory. The impact on the regional district will be minimal. He commented on the court decision allowing Woodcliff Lake to go on referendum to leave the district which would have a detrimental effect on all the sending districts. It must be passed by a majority of residents of all four towns. Hillsdale will actively inform their residents.
