School Supply List

General Ed. TK

Hello Sundahl Families,

Parents often ask us for a supply list so that they can start shopping as soon as the school supplies are out! We have compiled a generic list for each grade level. It would be beneficial to have these supplies ready to go on the first day of school. Teachers may have a few more specific items for just their class and they will let you know at Back to School Night.

Please be sure to label everything with a Sharpie before the first day of school.
