### STUDENTS LEARN, HAVE FUN IN **SUMMER CAMPS**

This summer, Whitesboro students had the opportunity to participate in summer camps ranging in activities such as reading, art, music, enrichment and STEM. Our students had a wonderful time learning new skills this summer that they can bring with them into the new school year.

# A MESSAGE FROM THE SUPERINTENDENT

## Dear Whitesboro School Community:

Welcome to the 2022-2023 school year! As I anticipate my 23<sup>rd</sup> reopening of school here in Whitesboro, 7th as Superintendent, I am optimistic that our school year will have a much more traditional feel and include all the experiences and opportunities our students most certainly deserve.

We have made tremendous progress on our District's Five-Year Plan. With guidance from the University at Albany, our building level teams worked on SMART goals they set based on the needs assessments they conducted and the survey feedback gathered by UAlbany. I am pleased to report our teams have made significant progress on their goals and spent time this summer extending our plan by an additional year, thereby always having five-year goals in mind.

Around the District, you may have seen some of the capital project work that is underway. You will see updates and information regarding this work later in this issue.

As a District we are continuing to provide professional development for our staff along with opportunities to update and revise our curricular programs. Over the past few months many of our instructional staff members have participated in 58 summer curriculum projects which will continue to align our K-12 curriculum to the Next Generation Standards, NYS Frameworks, and mandates from the NYS Education Department. In addition we were able to offer 19 summer camp opportunities for students in grades K-12 which were facilitated by Whitesboro staff members in areas such as ELA, math, science, health and wellness, STEAM, drama, music, and art.

We are also pleased to offer the following new courses at our high school: Mandarin Chinese 2B, American Sign Language IV, Introduction to Computer Science, a dual credit course through Mohawk Valley Community College, and the reinstatement of Food and Nutrition, Food Entrepreneurship, and Regional and International Foods. These additional courses along with our current rigorous course offerings provide our students with unique opportunities to help them to not only be college or career ready, but also have the availability to graduate with transferable college credit.

Throughout this issue you will find more examples of the many accomplishments we have made in our District. In addition, you will find important information about busing, schedules, and medication in school to name a few. Please take some time to review this issue and familiarize yourself with its contents.

Thank you for your continued support of our District. We are looking forward to working with you and your children in the upcoming school year.

Sincerely,

**Dr. Brian K. Bellair**

*Superintendent of Schools*

## Five-Year Planning UPDATE

On July 19, our District Leadership Team spent the day with facilitators from UAlbany to continue our work with our 5-Year plan. The day included status updates from directors and principals on their goals, COMPASS team configurations, lessons learned, data reviews, goal setting for the 2022-2023 school year and beyond, and determining district priorities. Our work with UAlbany will continue over the summer and through the 2022-2023 school year.

## NEW VISITOR MANAGEMENT SYSTEM - RAPTOR

Beginning in September, each building will utilize a new visitor management system called Raptor. This new system will enhance the district's safety and security program by screening a visitor's driver's license against sex offender and custom databases, including those with custody orders and banned visitor status. Approved visitors will receive a detailed visitor badge that shows the visitor's role type, photo, destination, and sign-in time.

## Get to Know BOE Member Cheryl Partyka LaValley and Incumbent Steven Farr

The Whitesboro Central School District is pleased to welcome Board of Education member Cheryl Partyka LaValley ('76) of Marcy.

"I am proud to be a Warrior and advocate for our children and our school," said Cheryl "I feel that our children are the most precious gift and they deserve all the best. Serving on the Whitesboro CSD Board of Education is an incredible honor!"

The District is also pleased to welcome back Board of Education incumbent, Steve Farr of Whitesboro.

"I'm both honored and humbled by the support I've received from the District staff and the WCSD community," said Steve "I look forward to contributing to the District's continued success."

### Congratulations to the following retirees:

### District Hosts Job Fair

The Whitesboro Central School District is currently hiring for several open positions for the 2022-23 school year!

The District hosted a Job Fair for prospective employees on July 14 in the High School Cafeteria. Representatives from several departments throughout the district staffed tables to discuss current openings for teaching assistants and substitutes, teacher aides, school bus drivers and attendants, food service helpers, building maintenance workers, cleaners and custodians. Representatives from AFLAC were also on hand to discuss the supplemental insurance options available to District employees.

### LOOKING FOR A JOB?

To view lists of current job openings in the Whitesboro CSD, please visit <https://www.wboro.org/employmentopportunities> and <https://olasjobs.org/whitesboro-csd>.

For additional information, contact the District Office at (315) 266-3341.

## CAPITAL PROJECT UPDATE

The Capital Project continues to move along as planned. Over the last few months, several Phase 2 scope items were completed, to include work in the Middle School Auditorium, Middle School clock tower, the Wadas Athletic Complex, and at the Transportation facility.

Project work is now moving into the final phase and is expected to be completed later this school year.

## Two Teachers Receive Empire State Excellence in Teaching Award

Two Whitesboro Central School District teachers were announced as recipients of the 2022 Empire State Excellence in Teaching Award by Governor Kathy Hochul on June 15.

High school chemistry teacher Stephen Costanza and high school physical education teacher Sara Stamboly-Warner were among the 54 pre-K-12 public school teachers who were recognized for their impressive skillsets as educators and commitment to success for all of their students.

The Empire State Excellence in Teaching Program was created in 2016 to support exemplary teachers across New York state who foster creativity, instill a love of learning and motivate students to maintain high expectations and academic goals, inspire thinking and student initiative. These professionals are eager learners who pursue meaningful professional development throughout their careers. This prestigious award recognizes the dedication, expertise and mission of New York teachers, who demonstrate the excellence seen in classrooms across the State.

"Before, throughout, and as we move past this pandemic, teachers have selflessly shown up for our kids and deserve our immense gratitude," said Gov. Hochul. "It is impossible to recognize each one for their hard work and effort, but I am pleased to congratulate 54 outstanding educators for their commitment to their students. They embody the values and mindset that every educator should have, and I applaud

them for inspiring thousands of children across our great state."

Costanza and Stamboly-Warner were selected after an extensive application period where several New York State professional education associations were involved in the selection process.

To acknowledge their dedication to student success, Costanza and Stamboly-Warner will each receive a \$5,000 stipend distributed by the State University of New York to apply toward professional learning opportunities to continue to develop their knowledge and skills in ways that will further support student growth. They will also be given professional engagement opportunities to share insights on their successful teaching practices, curriculum and instruction, and professional learning. In addition, Costanza and Stamboly-Warner will work with regional developmental leaders, university leaders in teacher education, policymakers and school leaders to advise them on trends in education.

Congratulations on this outstanding accomplishment!

## Wolfspeed Visits Whitesboro

Students in Mrs. D'Accurzio's English 12 class recently had the opportunity to interact with members of the Wolfspeed team. Wolfspeed is a powerhouse semiconductor company focused on Silicon Carbide and GaN technologies. Students were informed about the addition of the largest Silicon Carbide FAB lab which is located right in their home district, Marcy.

Members from the team provided students with an overview of the semiconductor industry. Students were informed about opportunities in engineering, math and computer science. The difference between Silicon and Silicon Carbide was explained as well as the educational pathways required to work in the microelectronics and/or semiconductor industry.

The OHM BOCES School and Business Alliance (SABA) provides career exploration opportunities for students and helps them to make informed decisions about their future in the ever changing workforce. We look forward to partnering with Wolfspeed for additional opportunities allowing for internships and business tours.

## AP Bio Students Investigate RNAi

Partnering with Dr. Carolyn Adler of Cornell University, TCCC BIOL105/AP Bio students at Whitesboro Senior High were able to partake in an experiment involving a biotechnology rarely used in high school classrooms. Mr. Ryan's students studied the effect of RNAi (or RNA interference) on planaria. Planaria are small flatworms whose bodies consist of a large number of stem cells (almost 20%). The abundance of stem cells allow planaria to regenerate amputated body tissue. If a planarian has its head amputated, it can regenerate a new one (as well as regenerate a tail from the severed head).

Though flatworms have been a staple of high school biology classroom for decades, working with RNAi is a rarity. Whitesboro is only one of six schools in the state that are implementing this technology. RNAi is a process that suppresses certain genes by targeting specific RNA sequences for their destruction – therefore "silencing," or shutting off, the gene.

The gene that Whitesboro students targeted was B-catenin. B-catenin is a gene present in all animals and functions to produce a "tail end." With this gene blocked, planaria that were cut regenerated heads at the site of the wound – thus causing multi-headed worms to be regenerated. In order for flatworms to obtain the RNAi, it was incorporated into a food source (the food was dyed so that it could be visible in the body once ingested) and fed to the planaria on two occasions.

The experiment was a complete success and Mr. Ryan's students obtained phenomenal results as many of the planaria grew two or more heads. Special thanks to Dr. Carolyn Adler of Cornell University and to Tompkins Cortland Community College for arranging the professional development necessary to introduce this technology into high school classrooms. For more information on Dr. Adler's work, please visit <https://adlerlab.vet.cornell.edu>

CONGRATULATIONS GRADUATES!

## MIDDLE SCHOOL KICKBALL TOURNAMENT

On June 8, the fourth annual Middle School Kickball Tournament was held as a fundraiser for the American Heart Association.

The tournament was a huge success. A group of students kicked off the event by singing "The Star-Spangled Banner", a principal took a pie to the face and in total, \$1,393.00 was raised for a great cause.

Thank you to all who helped support this event!

## ELEMENTARY SCHOOL News

# MARCY ON THE MOVE

Marcy on the Move ended their Olympic session with a final track meet.

Marcy on the Move promotes wellness and lifelong fitness through running and activities. More than 75 students participated throughout this session. Each week we scored a variety of events including hurdles, jumps, throws, and cross country racing.

We ended with a track meet at Whitesboro High School where we scored the 100-meter dash, 200-meter dash, and relays. The runners had assistance from the Varsity track athletes, along with a lot of cheering! The results of the Marcy on the Move Olympics were Sweden in first place with 74 points, Germany and Ireland in second place with 63 points, Italy in fourth place with 61.5 points, and England in fifth place with 47.5 points.

A special thank you to our teacher volunteers and Mr. Getman, who gave their time and expertise to make our Olympics successful!

# STUDENTS LEARN ABOUT FIRE PREVENTION

On June 3, Hart's Hill and Westmoreland Road Elementary Schools hosted members of the Whitesboro, Yorkville and New York Mills Fire Departments as well as the Oneida County Sheriff's Department and Whitestown Police Department for Fire Prevention and Life Safety Day.

Students learned about fire safety, including how to stop, drop and roll and stay low in escaping a fire. Hart's Hill students were surprised with a special visit from the Mercy Flight Helicopter. Thank you to all of our volunteers. Your hard work, responsiveness, and dedication to educating our students is very much appreciated!

## DEERFIELD ELEMENTARY FUN DAY

Deerfield Elementary students and staff celebrated the close of the 2021-2022 School Year with a magnificent outdoor Fun Day! It was a beautiful day filled with sunshine, waterslides, games, and sno-cones. The students played outside with their friends. The schoolyard was filled with children playing and lots of laughter.

Now, we are rested and ready to kick-off the 2022-2023 School Year with you at our Party on the Playground, on Thursday, September 15. We hope to see you there!

## PAW PRINTS THERAPY DOGS PAW PRINTS

Students at Marcy and Westmoreland Rd. Elementary Schools enjoyed a special visit from Therapy Dogs Mello, Yukon and Dehlia last spring. During the visit, students learned how therapy dogs are trained and were able to ask questions of the dogs' owners.

Special thanks to owners Ron Kamp, Lisa Tran and Sharry Burmaster, and Cornell Companions of Oneida County for making this visit possible!

## WEST. RD. Fun Run

## Students Donate to Local Animal Shelter

Students and staff at Westmoreland Rd. Elementary collected items to help the animals at Anita's Stevens Swan Humane Society. Thank you to all that donated!

# TRANSPORTATION INFORMATION

## THE BUS SCHEDULE

Morning pick-up times will begin at the approximate time stated. We ask that students arrive at their bus stop **five** minutes prior to pick-up time.

Bus arrival times, routing and stops will become finalized several days into the school year. Post cards with initial route/bus information will be sent home the last week of August.

All routes are **subject to change** during the school year.

## STOP AND PICK-UP TIMES

Approximate times are given for the bus stop on each run. A time pattern for all stops will be established within a few days. Students should be ready at the stop five minutes ahead of the estimated time. Exact arrival times are affected by many factors, including weather, traffic, substitute drivers and mechanical problems. These are suggested times for the first week of school and are **subject to change**. Drivers will notify students of changes.

## BUS SAFETY GUIDELINES

1. Line up single file as soon as you see the school bus approaching. Do not start toward the bus until it has come to a full stop and the driver has opened the door. If you have to cross the street, wait for the bus driver to signal.
2. Use the handrail when boarding and exiting the bus.
3. Be courteous.
4. Do not walk behind the bus.
5. Bus passes must be obtained from school personnel (available with written permission from parent or guardian) in

order to discharge student at another stop other than his/her normal stop.

## ITEMS PROHIBITED ON SCHOOL BUSES

For the safety of all riders, students are requested not to carry potentially harmful items on the bus. Nothing should be carried that will interfere with seating, space or safety. The following are examples of items prohibited on the bus:

- Insects or animals of any kind.
- Glass objects and breakable objects.
- Balloons.
- Skate boards.
- Sleds and skis of any kind.
- Any sharp or pointed objects.
- Medicine, medications.
- Projects that don't fit on a student's lap.
- Large musical instruments.
- Weapons of any kind or any object that could be perceived to be a weapon (toy guns, knives, etc.).
- Matches/lighters.

## SCHOOL BUS RULES OF CONDUCT

1. Follow directions of the driver at all times.
2. Stay seated in your seat at all times.
3. Keep all parts of your body in the bus and to yourself.
4. No pushing, shoving or fighting.
5. No eating, drinking, smoking or spitting.
6. Do not litter, write on or damage the bus in any way.
7. Do not use profanity, rude gestures, tease or harass anyone on the bus.

## BUS DISCIPLINE

Improper behavior may result in the suspension of bus riding privileges. The following procedure is followed when a student's conduct may warrant suspension.

## IF A STUDENT VIOLATES THE CODE OF CONDUCT:

- 1st time:** Driver verbally warns student and documents on daily log.
- 2nd time:** Parents contacted by driver or transportation department personnel, documented on daily log form (probationary period begins).
- 3rd time:** Bus Conduct Form issued, parents contacted by Building Administrator, three (3) day bus suspension.
- 4th time:** Five (5) day bus suspension.
- 5th time:** Principal's Hearing (10-30 day bus suspension).
- 6th time:** Superintendent's Hearing.

## SEVERE DISRUPTION

The following inappropriate behavior will result in suspension of transportation privileges **IMMEDIATELY:**

1. Physical harm to student.\*
2. Physical harm or threat of physical harm to driver.\*

\*May result in referral to law enforcement

## It's "Back to School" time. School buses are back on the roads, and students are walking along the side of the road and waiting for buses.

- Please watch carefully for children near school buildings, in areas where school buses are traveling or where there are signs for school zones or bus stops.
- Remember that if you are approaching a school bus from either the front or behind, and its yellow lights are flashing, the bus is preparing to stop.
- If the bus' red lights are flashing, **YOU MUST STOP. It's the law!**

This **includes** school buses that are: on the opposite sides of divided highways, on multiple lane roadways, in parking lots and on school grounds.

**NOTE:** The **only** exception to this law is if the bus driver or a police officer signals that you may pass the bus.

## PENALTIES FOR PASSING A STOPPED SCHOOL BUS

	Minimum Fine	Maximum Fine	Possible Imprisonment
First Conviction	\$250.00	\$400.00	Up to 30 days
Second Conviction (within 3 years)	\$600.00	\$750.00	Up to 180 days

## PESTICIDE NOTIFICATION

School districts and BOCES are required to maintain a list of parents or guardians who wish to receive written notification 48 hours prior to application of a pesticide that is covered by notification requirements, at their child(ren)'s school/facility. If you wish to be included on the School District Notification List, please contact Kevin Storsberg, director of facilities, at (315) 266-3312. You will then receive advance notification of a pesticide application at your child(ren)'s facility of pesticide products covered by notification requirements.

For further information about the products being applied, including any warnings that appear on the label of the pesticide(s) that are pertinent to the protection of humans, animals, or the environment, call the National Pesticide Telecommunication Network at 1-800-858-7378 or the New York State Department of Health Center for Environmental Health at 1-800-458-1158. For additional information on the District's pesticide program, contact Kevin Storsberg at (315) 266-3312.

## NOTICE OF COMPLIANCE

The Whitesboro Central School District does not discriminate on the basis of gender, race, color, national origin, handicap or age in employment or in providing student access to educational programs, courses and activities. This policy is in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975. Any alleged grievances should be reported to the appropriate compliance officer. Compliance officers are as follows: Section 504/ADA Coordinator, Christopher O'Neil, Director of Pupil Personnel Services, Whitesboro High School, 6000 State Route 291, Marcy, NY 13403, (315) 266.3240; or Title IX Coordinator, Christopher O'Neil, Director of Pupil Personnel Services, Whitesboro High School, 6000 State Route 291, Marcy, NY 13403, (315) 266.3240.

## SPECIAL EDUCATION NOTICE

If you believe your child may have an educational disability and is in need of special education services, please contact the Office of Special Programs at (315) 266-3309.

If you are interested in serving as a parent member for the Whitesboro Committee on Special Education, please call the Office of Special Programs at (315) 266-3309 for information and eligibility criteria.

## TAX INFORMATION

Please understand that there are many factors that are involved in determining the total tax contribution. Some of the main factors are:

- The property value assessment determined by each town
- The equalization rate determined by New York State
- STAR program adjustment determined by New York State law
- The tax levy set by the local school board

## USE OF SURVEILLANCE CAMERAS

The Whitesboro Central School District promotes student, staff and visitor safety in all District facilities, grounds and buses. In an attempt to ensure a safe and effective learning environment, the Board of Education supports the use of surveillance cameras, when necessary, in all District facilities, grounds and buses. Surveillance cameras will not be used in public areas and other non-public areas, such as restrooms and locker rooms, where there is reasonable expectation of privacy. Audio recordings will not be made in conjunction with the use of cameras. Such prohibition does not preclude the use of audio recordings by law enforcement or District personnel when used in accordance with their official duties as authorized by law.

## FOOD SERVICE INFORMATION

2022-2023

### SCHOOL LUNCH PRICING

**Breakfast: \$1.50**

**Lunch: \$2.75**

**Milk: \$.50**

*Reduced priced lunch and breakfast are NO CHARGE to the student.*

## Free/Reduced Lunch Application

The Whitesboro Central School District participates in the Federal School Lunch Program and offers free or reduced meals to qualifying students. Families must apply for these benefits each school year. To avoid a lapse in benefits, applications should be completed **no later than October 19**. Families can apply at any point throughout the year, especially if family size or income status changes. All applications and resulting eligibility statuses are kept confidential.

Applications are available in the Food Service Office, each building's kitchen and principal's office, as well as online at <http://www.wboro.org/freeandreduced>.

## CONTACT US

**Please call the Food Service Office at (315) 266-3315 if you have any questions or need assistance with this process.**

## HEALTH DEPT. INFORMATION

### Medication During the School Day

School policies regarding administration of medication are consistent with procedures established by state education law.

For students to receive medication (prescription or non-prescription, including cough drops and other “over-the-counter” medication) during the school day, the following procedures MUST be followed and renewed each year:

- **The parent or legal guardian must submit a written request to school authorities, along with a written request from the prescribing physician, indicating the frequency and dosage.**
- **The medication must be brought to school by a responsible adult in the original container labeled with the name of the medication and the dosage.**

***These procedures must be followed in order for medication to be administered in school.***

### STUDENT PHYSICALS

New York State Education Law requires that each new entrant to the District and students in kindergarten, 1st, 3rd, 5th, 7th, 9th and 11th grades must have a physical examination, either by the school nurse practitioner or family physician. Vision, hearing and scoliosis screenings per NYS regulations will be done by the school nurse.

Please communicate with the school nurse if you will have your family physician provide the physical examination. The family physician will need to complete a physician’s report form (available from the school nurse) and submit it to the nurse.

**For complete New York State Immunization Requirements for School Entrance/ Attendance, please refer to the Health Department page on [www.wboro.org](http://www.wboro.org)**

**STUDENTS MAY NOT  
CARRY MEDICATION  
WITH THEM**

## SCHOOLMESSENGER - SCHOOL COMMUNICATION & NOTIFICATION SYSTEM

The Whitesboro Central School District utilizes the SchoolMessenger automated communication system to provide timely information to parents and staff on matters such as attendance, general information, campus emergencies and school closings and delays.

There is no need to sign up for SchoolMessenger, as it uses contact information stored in our student information system. All households with students in the District will be notified by phone when important information needs to be communicated, such as delays, early dismissals, closings, emergency situations or other important messages. Please ensure that the District is informed of any changes to your address, home phone, cell phones or place of business throughout the school year. If you do contact the District to update your contact information, please note that it may take up to 24 hours for the information to change in SchoolMessenger.

In the event that you receive an automated call, please listen to the message in its entirety to hear the important information.

### SNOW DAYS OR EMERGENCIES

The decision to close school, delay the start of school or release students early because of adverse weather conditions (or another emergency situation) is made only after the road conditions in the District are reviewed personally by District staff. The final decision is made by the Superintendent of Schools. If a closing, delay or early dismissal occurs, the media is informed as soon as possible. Please listen/tune in to the following stations for closing and delay information:

**CEEB NUMBER**

Parents of students filling out the FAFSA, SAT or ACT forms will need to know the school code number, which is:

**335960**

**HIGH SCHOOL STUDENT PARKING**

Driving a motor vehicle and parking on school property is a privilege granted to seniors and juniors at the high school. All students should have received a mailing home with information on how they can register a vehicle for the upcoming school year. Students may begin registering their vehicles on August 30 and September 1 in the Assistant Principal's Office.

There are designated areas for parking at the High School. Students must park in white lined areas only (including designated parking in the west end of the north parking lot). Staff parking is indicated by yellow lines; signs designate visitor areas. Anyone using a handicap space must have appropriate handicap identification on their vehicle or, for temporary reasons, must contact the Student Activities Office to secure permission.

Daily parking permits may be issued to students for medical reasons or for an out-of-district education program for which transportation is not provided. Unacceptable reasons for granting day passes are:

- Participation in school sports or activities
- Work
- Tutor
- Any other reason not specified in acceptable criteria listed above

If you have questions or concerns, contact the Student Activities Office between 7:15 a.m.-3:15 p.m. at (315) 266.3230.

**WORKING PAPERS**

Before starting employment, students 14-18 years of age are required by New York State law to have working papers. There are restrictions on the type of work and the number of hours a student can work, particularly during the school year.

Students should apply for working papers at least one week before the start of employment to allow time for the paperwork to be processed. Students must provide proof of age and proof of physical fitness to work. School records can provide proof of age for students registered at Whitesboro High School. The high

school nurse can provide proof of physical fitness for students whose physicals have been done in school for sports. Students may also submit written documentation from their private physician.

Application forms (working papers) can be picked up in the High School Nurse's Office. Students should return their completed form to the nurse's office. The nurse will then verify that the student has had a physical within the last year and will attach a "Certificate of Physical Fitness" form, forwarding everything to the Student Activities Office, where the student will pick up their employment certificate (working card).

**STUDENT DIRECTORY INFORMATION POLICY**

New York State law allows school districts to release student directory information to an outside group without individual consent. Parents or eligible students have the right to refuse the release of such information by notifying Mr. Christopher O'Neil, Records Information Officer, in writing, no later than October 1 of the school year. Following this response period, the District may release such information.

The Family Education and Rights Privacy Act (FERPA) defines student directory information as the following: name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height (if members of athletic teams), degrees and awards received and the name of the educational agency or institution previously attended by the student.

Listed below are telephone numbers for the Whitesboro Central School District. Please clip and save.
