

Whitesboro High School Class of 1970
Annual Academic Scholarship

The Class of 1970 is proud to announce an academic scholarship for a deserving Whitesboro High School senior to support their academic career goals and aspirations. Two scholarships of \$1,000 each will be granted to up to two students each year. The scholarship will be given to students from a family in need to attend a higher education program of their choice.

Any member of the senior class with a B average or better may apply for this scholarship. The scholarship can be used to support any post-secondary program, either at a two-year or a four-year college or at a vocational school, and the monies can be used to pay tuition, books and/or fees. Scholarships will be announced at the Senior Award Ceremony.

Please fill out the application to the best of your ability. A final decision will be based upon information provided in the application, transcript, a teacher recommendation, and a FAFSA form. Any questions should be sent to the Guidance Office.

Please request a transcript from the Guidance Office when you pick up this application. Ask a teacher who knows you well to complete the recommendation form in this packet.

The completed application (with all required forms) must be returned to the Guidance Office by May 17th in order to be considered for this scholarship. All of the information will be kept strictly confidential by the Guidance Office.

Sincerely,

Joanne Falinski, Scholarship Chair
