

Ella Canavan Title 1 Parent Involvement Plan

Revised 21-22

We are a team at Canavan and teamwork is an important part of our Title 1 Reading Intervention Service!

We strongly encourage involvement in your child's education and our educational programs. Schools and parents must work together to improve student achievement and this partnership is fundamental to a student's success. Please contact your child's teacher(s) or Principal to learn more about how you can be involved in our Title I Program.

Title I Family Events / Parent Communication

There are many opportunities for families to be involved and participate in the reading intervention program. Parents are invited to a Parent Informational Meeting at the beginning of each school year. This year, due to the ongoing COVID-19 pandemic, our meeting was a virtual powerpoint presentation. Parents are also invited to attend parent-teacher conferences in the fall and spring to discuss their child's progress. Progress reports will be sent home at the end of each trimester, showing growth in specific targeted interventions. Parents are encouraged to help their child work towards their goals through reading activities sent home on a weekly basis. In the spring, parents are asked to complete a survey about their satisfaction with the Title I program. The survey results will be used to improve our program and the school/home connection.
