Dear Parents,

Our district has been selected to participate in a statewide survey being conducted by the New Jersey Department of Education, Office of Special Education. The survey is being sent to you as part of a statewide effort to collect information that will allow the New Jersey Department of Education to enhance special education programs, services and support and to improve results for children and families.

You may have received a survey in the past. We thank you for your support then and ask you to again take the time to respond to this additional survey as we continue to seek parent perspective on parent involvement in our special education programs.

During **June and July of this year**, you should receive a survey in the mail directly from the New Jersey Department of Education, Office of Special Education. When you receive the survey, we encourage you to complete and return it as soon as possible in the pre-paid self-addressed envelope. The return envelope is addressed to a private agency that will scan and summarize the information on each survey. There is also an option to complete the survey online and a code will be provided for you to do the online survey. Your survey responses will remain confidential; you do not need to put your name or the name of your child on the survey.

This survey will provide important information to further efforts on behalf of families and students with disabilities. We thank you in advance for your support.

Sincerely,

David Knaster
Assistant Superintendent

MAKING EVERY CHILD COUNT
