****Due to the lack of space in lockers, students should NOT purchase a binder.** Students will be asked to bring only folder/notebook/textbook to class. Each class is color coded to help keep students organized. We also suggest not purchasing a foldable locker shelf as they take up unnecessary space in the lockers.

Backpacks and purses are to only be stored in the locker. No backpacks or purses can be carried to class as per the student handbook. Wheeled backpacks will not fit in the lockers. These are not allowed.

If supplies run low throughout the year, they will need to be replenished. There will be supply checks throughout the year.
