Points of Interest

Please give warm congratulations to another one of this year's **Citadel Heart of Learning Award** winners Roseanna Fabii! Ms. Fabii is an Autistic Support Teacher at Great Valley Middle School in Great Valley School District. We've had the pleasure of hearing all about Mrs. Fabii through her many nominations and were blown away by her dedication to her students.

One parent shared "My son is now 22 and wouldn't be where he is today without Ms. Fabii. There was a time I wondered if he would be able to communicate and now, he is attending college and learning to drive. Ms. Fabii was his teacher for 8 years and I am forever grateful." Congratulations again to Ms. Fabii!

Congratulations to the members of the GVMS quiz bowl team on their outstanding performance at the National Quiz Bowl Tournament held in Chicago on May 11th and 12th. Team members Neel Rege, Smeet Thaker, Vishi Sharma, Connor Tran and Aryan Amirtharaj qualified for the tournament due to their performance earlier in the year. After two days of intense competition against teams from across the country and around the world, the team finished an impressive 13th place, the highest finishing of any team in GVMS quiz bowl history. They played as a team and worked hard to continue to approve over the last three years. Best of luck to the team as they continue playing next year the high school level. GVMS is extremely proud at them all!
