STUDENT PLACEMENT INFORMATION FORM

THIS IS NOT A TEACHER REQUEST FORM

Student _____ Current Grade _____

Current Teacher _____

Each year there is considerable discussion about placing children in classes for the next school year. Appropriate student placement is a matter that we spend countless hours on forming well-balanced classes in which all children will have equal opportunities to learn and grow in their academic and social skills.

As a parent, you have a special perspective regarding your child's educational needs. Your input is valuable and will help to provide information about your child's development and interests that may be pertinent to his or her classroom placement. Your comments to the following questions will be given serious consideration. We kindly request **please do not request a specific teacher**. (If a specific teacher is requested the form will be returned.) If you need additional space, please use the backside of this form. If you should have any questions or concerns, please contact Mr. Case at the Elementary School or Mr. Heggenstaller at the Intermediate School.

Please return this form to the office on or before May 17, 2024 either in a sealed envelope or by email.
