The Board of Education will review the recommended new curriculum listed below as a first reading with the intention of approving the recommendations with a second and final reading during the May 2024 Regular Meeting:

Subject: Science

Vendor: Multi (see attachment OB-3)

Grade Level(s): Grades 3rd - 5th

Summary from Mrs. Roach: Bath teachers reviewed content and standards with Dr. Missi Zender Sakach from the Summit ESC. A team of teachers spent an additional day with Missi at the Summit ESC reviewing all of the science programming available prior to making the best decisions for their students. Just like we selected to do for RMS, we have worked with Missi to select modules from different vendors in order to find the best pieces that bring Science to life for our students. We will also work with Missi during implementation to make sure that we are organizing lab materials well and making the most of this updated programming.

Subject: Social Studies

Vendor: Studies Weekly

Adoption Title: Studies Weekly (a weekly consumable text)

Grade Level(s): Grades 3rd & 4th

Summary from Mrs. Roach: We worked with Social Studies consultants from the ESC who helped us review five different curricular programs. Studies Weekly has been a valued resource that we used in the past, and teachers were interested in seeing the updated edition. They were very pleased with the value that this resource will add to their current materials and allow for them to give students great, consumable materials. In Social Studies instruction, having an Ohio version is really important to make certain that the content is helpful for our required content. The teachers reviewed materials with this lens.

Subject: English Language Arts

Vendor: Common Lit

Adoption Title: Common Lit 360

Grade Level(s): Grades 9th & 10th

Summary from Mrs. Roach: Our 9th and 10th grade teachers have been using Open Education Resources and Actively Learn to build their own programming since 2019. This year, we worked collaboratively to support our teachers to have time to work together and find a high quality resource that would give them a common path that builds from 9th grade to 10th grade. Common Lit is a digital platform that uses many texts from the Literary Canon and challenging Informational Texts to develop students' ability to engage with complex text as readers, writers, and speakers. The common novels (and drama) remain the same as a current adoption: 9th - To Kill a Mockingbird and Romeo and Juliet and 10th - Fahrenheit 451 and Of Mice and Men.
