

## Tuesdays with Mr. Knoll

Welcome to the **final edition** of "Tuesdays With Mr. Knoll" for the 2023-24 school year. As we prepare for the final school days this week, I can't help but exude with pride seeing all the fantastic things our students and staff have accomplished. Whether it's in the classrooms, on the sports fields or in the arts, excellence has been the theme. Our school community has shown incredible generosity and celebrated countless moments of success. So, as we say goodbye to this academic year, let's take a moment to cherish and applaud all of the positive news and accomplishments that have enriched our **"Positively Canfield"** community. The final day of school, Thursday, May 30, marks the end of this chapter, but "Tuesdays With Mr. Knoll" will return in the fall, ready to continue celebrating the remarkable achievements of our Canfield family.

- As the school year comes to an end, we have celebrated the incredible achievements of our **graduating seniors** with a series of events that honored their hard work and dedication. From the **Baccalaureate** ceremony on May 24th to the **Senior Graduation** ceremony on May 26th ([watch the Graduation here](#)), we marked the transition of our seniors to the next chapter of their lives with pride and admiration. We wish them all the best as they head into their future endeavors, knowing they carry with them the spirit of Canfield High School and our district theme of **Positively Canfield** wherever they go.
- What an AMAZING Graduation ceremony to honor the Class of 2024. Special **congratulations** to our Honors Graduates:
