- PLC

Mr. Armstrong and several Coronado teachers recently attended the Professional Learning Community (PLC) Summit through Solution Tree. Mr. Armstrong gave an overview of the conference on the focus of data analysis and assessments on behavior and school culture. The discussion highlighted strategies for recognizing student achievements, such as Student of the Month. A diagram was created and modified to teach explicit positive behaviors and to provide examples. In May, we will have our P.A.W.S. Leadership Award. Tax Credit funding may be requested to cover expenses toward Character Education to cover costs for items like a banner, shirts, and magnets, among other items.

- Superintendent Search

HUSD is currently conducting a superintendent search. Last week, a public forum was held to introduce two candidates. The forum consisted of a 45-minute discussion, presentation, and responses to pre-selected questions. The HUSD board will make a final announcement regarding the selection at the next board meeting.

- Open Discussion

The next Site Council meeting may need to be changed to accommodate funding deadlines.

The meeting adjourned at 5:31 p.m.
