March 6, 2024 - Board Meeting Agenda Questions & Responses

6.1 3rd Review of the 2024-2025 Maintenance and Operation Budget

Would like to know the current salary of all admin. It is important that we see all the before and after for all the salary schedules. Only certified staff is transparent and not the others.

The current administrative salary schedules are posted online <https://www.husd.org/Page/49483> , and the proposed FY2025 administrative salary schedules are on the agenda for approval.

Can Tyler also present and explain this report? I believe this information is important when making decisions on salary increases.

The recent Auditor General School spending report that was released Friday, March 1st is not on the agenda for discussion. However, the report is public, and it resembles the spending estimates presented to the board on October 11th, 2023.

7.5 Higley USD ACFR 23

Will Tyler discuss the corrective action? Pg 13-18

Yes, Tyler will provide a brief explanation of the audit and the findings.

Why was the board not notified of this when it happened?

The FY2023 audit was just recently finalized and this report to the board is the official notification.

This needs to be updated on the new one
