

IGNITE! PROGRAM – Grades 3, 4 and 5

OAK HILLS ELEMENTARY RECOMMENDED SUPPLY LIST 2024-25

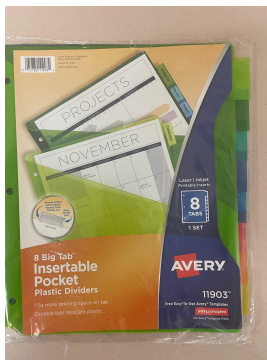

We are excited to have your child in Ignite! this coming year. We are trying to ensure all have the necessary supplies, and wanted to list what we use for your convenience should you need to order replacement items, or all of these if you are a new family. The Ignite! Program uses a special binder to help students develop academic organizational skills. The materials for the binder are very specific to support implementation of program-wide expectations for all student needs. This system is used for multiple years so there is a potential not to have to replace the binder each year. The binder is also a good organizational tool for students in middle school!

1. **Staples Better Binder 1 ½ Inch Purple Color preferred:** We use this specific binder due to its durability. We have found other brands and types tend to fall apart easily with heavy use. These binders can last year over year.

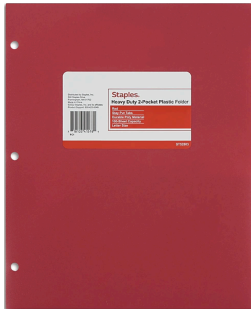

2. **Tabbed Pocket Dividers** - We need 8 tabbed pocket folders. We recommend this brand/type.

3. [Pencil Pouch to place inside Binder](#) - This is to store necessary learning tools for in class and homework. We recommend this one, but others may work as long as they can store 2 pencils, felt tip pen, pink eraser, highlighter, etc.

4. [Durable Red 2 Pocket Poly 3 hole folder](#) - we do prefer a plastic red 2 pocket folder.

Returning Families – Students can use binder from last year or can replace any of the individual binder parts as needed.
