

Compare

Materials: Deck of Number Cards 0–10
(remove the Wild Cards)

Players: 2

Object: Decide which of two cards shows a larger number.

Note to Families

With these game rules, your child is bringing home a set of Number Cards. Please find a safe place to keep these cards to use again for this and other games.

How to Play

1. Mix the cards and deal them evenly to each player. Place your stack of cards facedown in front of you.
2. At the same time, both of you turn over the top card in your stack. Look at the numbers. If your number is larger, you say "Me!" If the two cards are the same, turn over the next card.
3. Keep turning over cards. Each time, say "Me!" if your number is larger.
4. The game is over when you have both turned over all the cards in your stack.

Variations

- a. If you have the **smaller** number, you say "Me."
- b. Play with three people. Look at all three numbers. If you have the largest number, say "Me."
- c. Add the four wild cards to the deck. A wild card can be made into any number.
