### Superintendent's Report

<u>Superintendent's Report</u>: Superintendent Meyer presented on three different report templates that she would like the Board to consider for future use. She also updated them on the Board vacancy. The new Finance Executive Director, Melissa Richter, introduced herself and then presented an enrollment and budget update.

#### **Board Member Comments**

- President Taylor: He wanted to confirm that the district will be following up with the public comment regarding inter-district transfers for athletes.
- Director Kaikkonen: She is starting to think about the upcoming legislative session. In the next couple of weeks, she will be prepping and getting organized. If WSSDA uses the spreadsheet she created, that will save her a lot of time. When the General Assembly handbook comes out, she might look at that closer because last year there were positions that went forward that the Board necessarily didn't support.
- Director Beard: Since the last meeting, she participated in the Fourth of July parade and people were excited to meet Superintendent Meyer. She also acknowledged that there is a lot of work happening during the summer at the district office which she can appreciate.

### **Recess Regular Meeting:**

Executive Session to discuss Collective Bargaining and Negotiations per RCW 42.30.140(4)(b).
