

# Naviance Student for Parents Reference Guide

## Overview

Naviance Student makes it easier than ever for your student to answer the questions that will shape your student's future: Who am I? What do I want to be? How will I get there? And How will I succeed?

Naviance Student is a mobile-responsive site, for both students and parents, that employs intuitive tools that personalize and simplify the college and career planning process.

Parents and/or Guardians have mostly view-only access. However, depending on your school's permissions, you may be able to edit:

- Personal and Demographic Information

- Username/Password
- Add a college to your child's College's I'm Thinking About list.
