

# Planning with Digital in Mind

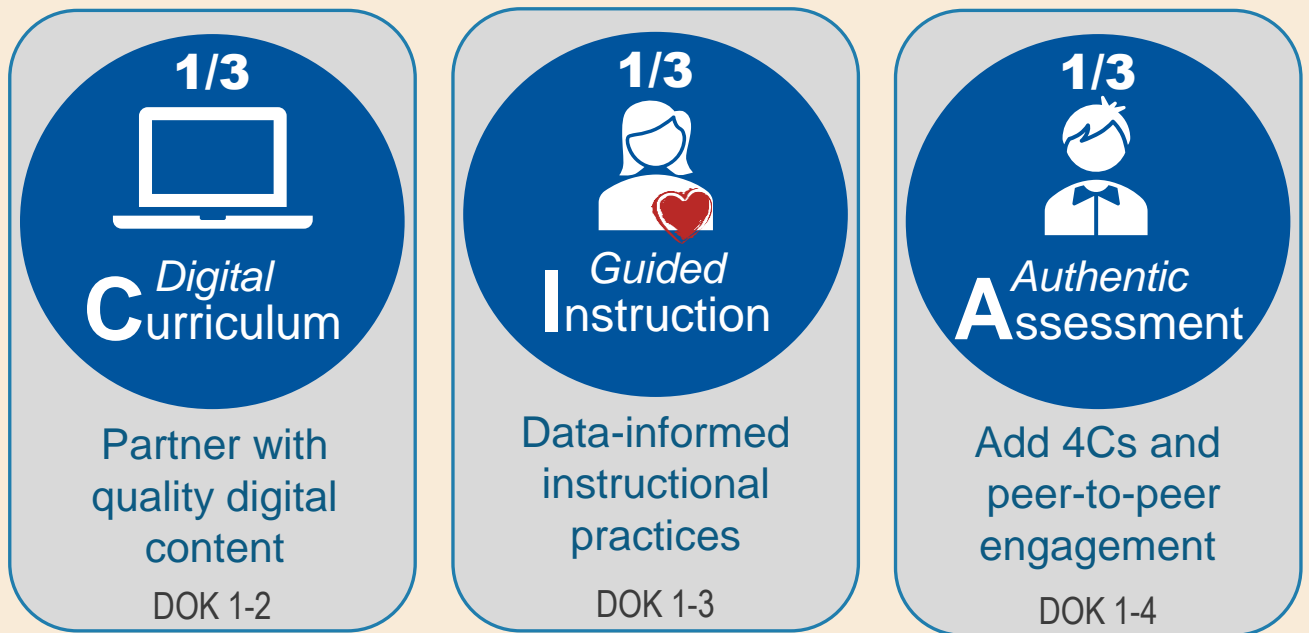

Core Business of Schools: **Relationships & Learning**

Use the **CIA of Blended Learning** to create blended personalized learning environments.

DOK = Depth of Knowledge

## The CIA of Blended Learning

## Classroom Teacher Tips for COVID Times

- Plan knowing there will be movement among learning environments
- Select a single online classroom platform – Open line of communication
- Communicate daily and weekly expectations – Encourage ownership
- Repeated use of a few digital software apps – Reduce cognitive load
- Have a plan for students without technology
- Partnering with digital content and embrace a balanced approach of the CIA of Blended Learning

# CIA Unit Planning
