

# WAXIE Select™ Magnet Dust Mop Treatment

## DESCRIPTION

Replaces sweeping compounds and eliminates the dust created when using mop head equipped push brooms. When used as directed, the advanced formula contains no wax or silicone, does not make the treated surface slippery and will not damage floor surfaces. Ideal flooring surfaces for use include asphalt tile, linoleum, vinyl, rubber tile, marble, granite, natural stone, ceramic, concrete, quarry tile, magnesite, cork and wood including polyurethane coated wood such as gymnasium floors, racquet courts, etc. It can also be used on flooring coated with removable polymer finish. Cloths treated with this product are ideal for dusting plastic, laminates, chalkboards and more.

## SPECIFICATIONS

### AS SOLD

Appearance .....	Aerosol containing a liquefied gas
Color .....	White
Odor .....	Characteristic
pH.....	No data available
VOC .....	N/A
Melting Point/Freezing Point .....	No data available
Initial Boiling Point/Boiling Range .....	No data available
Flash Point .....	N/A
Flammability .....	Non-flammable aerosol
Relative Vapor Density .....	No data available
Density.....	0.95 g/cm <sup>3</sup>
Solubility(ies) / Water Solubility.....	Soluble
Solubility in other Solvents .....	Not determined
Heat of Combustion.....	7.54 kJ/g

### ACTIVE INGREDIENT:

Propane .....	≥ 1 - < 5%
---------------	------------

**SHELF LIFE:** All WAXIE brand chemical products have a guaranteed shelf life of up to one year after the date product was manufactured, when stored in ambient conditions. The actual manufacturing date is included in a date code on every product container.

## DIRECTIONS FOR USE

Not for use in food contact applications. **IMPORTANT:** Always shake well before using and periodically during consistent or heavy use. Remove cap and rotate actuator to point toward the painted dot on the valve cup. **Dust Mops:** Hold can upright four to six inches from mop head. Spray dust mop until moist, never wet. Do not spray at the very ends. Shake mop vigorously to release dust. Renew by spraying lightly in center of mop. When mop head becomes excessively soiled, remove and wash in soapy solution, rinse and dry. **Cloths:** Hold can upright four to six inches and spray, moving rapidly back and forth across a commercial grade cloth wiper. Spray until moist, not wet. Retreat cloth lightly as needed. When cloths become dirty, they should be washed in soapy water, rinsed and dried. **Heating and Air Conditioning:** When replacing filters on central heating and air conditioning systems, spray the new filter lightly before installing.

Item: 180391 16 oz 12/cs

## APPLICATION

## FEATURES & BENEFITS

- Professional strength
- 98% VOC free
- Unique designed cap provides source reduction of 75% compared to other caps
- Boxes contain 45% post-consumer recycled material
- Can is tin-free; 100% recyclable
- Can contains 50% recycled steel from post-consumer recycled waste
- Ready biodegradable using ASTM E1720-01 test method
- No CFC's
- Locks up dust

## PRODUCT REGISTRATIONS & CERTIFICATIONS

- RespirTek Certified for Biodegradability
- NSF A4+C1 Certified

# WAXIE Select™ Magnet Dust Mop Treatment

## DIRECTIONS FOR USE (CONTINUED)

**Food Processing Areas:** Rinse treated surface with potable water. **ATTENTION:** Never use inverted, sideways, or at an angle less than 45 degrees to a horizontal surface.

**DILUTION RATIO:** Ready-to-use.

## SAFETY INFORMATION

### PERSONAL PROTECTIVE EQUIPMENT:

**Ready-to-Use** B – Safety Glasses & Gloves

Read the Safety Data Sheet (SDS) and product label before use. The SDS and product label contain hazard warnings, precautionary statements and first aid procedures. SDS documents are available online at [www.waxie.com](http://www.waxie.com) or by calling (800) 995-4466.

For sale to, use and storage by service professionals only. Keep out of reach of children.

**HOTLINE NUMBER:** You may contact Chem-Tel at (800) 255-3924 for emergency medical treatment information.
