The screenshot shows the MarketDirect Storefront interface. At the top, a navigation bar includes a Home link (1), My Orders (2), Help (3), and Contact Us (4). Below this is the H-I-G-L-E-Y logo and a search bar (5). To the right of the search bar are Category (6), user name Bob Smith (7), and Cart (0) (8). A yellow banner contains a note: "NOTE: The quality of the images you upload is what will be printed." Below this is a red banner with the text: "If your design requires work, please contact the HUSD print shop before placing your order at printshop@husd.org". The main content area is divided into two sections: "FEATURED PRODUCTS" (9) and "FEATURED CATEGORIES" (10). The "FEATURED PRODUCTS" section displays six product categories with "Order" buttons: Postcards, Standard Copies and Prints, Banners, Posters, 8.5x11" Coil Bound Books, and Saddle-Stitched Booklets.
