

Open Enrollment

Higley Unified School District #60

Overview

School Year July 25th, 2022 – May 24th, 2023

Arizona State law allows students to apply for admission to any public school based on available classroom space (A.R.S. § 15-816.01). This means if a student resides out of the boundaries of a school, or out of the boundaries of the school district, an open enrollment application must be completed. In accordance with Arizona State law, Higley Unified School district has established and adopted a policy (HUSD Governing Board Policy JFB) outlining our open enrollment policy and program. Open Enrollment Forms may be obtained at any school in the district or may be downloaded by visiting our [Open Enrollment webpage](#). Families using the [online registration](#) process can complete the open enrollment application at the same time. To determine what your school of attendance is, you may input your address on our [School Boundaries webpage](#).
