

❖ School Update

- Staff – Only open position currently is a Para-SPED position.
  - HEA -Site Rep.- Kathy Kalinke -What is HEA and how does it support our staff.
    - Ideas to spotlight great things happening at Power Ranch.
- Enrollment – We have around 595 students currently.

❖ Volunteers

- Watch Dogs – great program to have fathers and father figures on campus. Right now, we are having watch dogs coming in during lunch times and on Wednesdays to help with Electives.
- Volunteers -we are working on ways to have more parents volunteer for the different activities happening on our campus. Ms. Edwards sent home a form where parents can mark the activities they would be interested in volunteering for.
  - PPP -Panther Project Place- We are reaching out to the parents that mentioned they would like to help with this. The students read a book, and then, using different materials, they build something that has to do with the book. The kids really enjoy it, they get to do a different project, once a quarter.
  - Survey -We sent a survey out to teachers to find out what activities they could use extra help from parent volunteers.

❖ Safety

- New Emergency protocols – We have new emergency protocols- a big change is that we now announce drills prior to start. Each classroom has a poster with the different emergencies and what to do. We will continue to send out emails when those drills are done.

❖ Electives -Our PTO continues to fund our Electives. Students have a variety of options to pick from, and they can experience something different each quarter.

❖ F&R Numbers – (Free and Reduced) -our school right now is at 27%.

- Title Budget -Our Title I budget comes from our Free and Reduced numbers, right now 98% of those funds is used for staffing, to offer extra support for students that need a little extra help.
