

**Tumwater School District
Board Policy**

DISTRICT FUNDRAISING

To preserve and to establish district programs and educational opportunities, the Board authorizes fundraising activities and fee-based programs where such programs: (1) promote K-12 education; and/or (2) provide educational experiences for students.

District fundraising activities may only include operating various revenue generating enterprises consisting of the sale of goods or services that are produced by, or that are linked to, the district's educational program. Fundraising enterprise activities will be in the best interest of the district and will not interfere with the operation of the district's programs and functions. District fundraising programs will not conflict with any applicable law and or state or federal constitutional provisions, including the separation of church and state.

This policy governs the establishment and administration of district fundraising for the general fund and for particular programs in the district. It does not address fundraising programs conducted by the Parent Teacher Student Association or other non-profit or citizens organizations. Fundraising by the Associated Study Body is addressed by RCW 28A.325.030 and District Policy No. 3530

District fundraising must be reviewed and approved in advance by the Superintendent or designee.
