

**Tumwater School District
Board Policy**

NUTRITION SERVICES MEAL CHARGING

In order to allow students to receive nutritious meals, prevent over-identification of students with insufficient funds to pay for school meals, and maintain the financial integrity of the nonprofit school nutrition program, the District will establish a written meal charge process for students eligible for reduced price meals and students that are not eligible for meals. The meal charge policy will be communicated to households each year so that school district employees, families and students have a shared understanding of expectations regarding meal charges.
